

Diabetes No Longer Feared

Popular Action of a Remarkable Remedy in Controlling Liver Action.

S. S. S. Quickly Fats Viscera and Energizes Intestines

There is no need to feel any alarm over the symptoms of diabetes. This disease is apt to be purely a digestive trouble, and for this reason the liver is held largely responsible. The liver is the largest organ of the body, and is not only a mass of thread-like blood vessels, but throughout its entire fabric is intimately associated with the digestive system.

The thing to do is to so stimulate the action of this myriad of blood vessels that each cellular part selects its own essential nutriment by healthy and judicious divine discretion. This is accomplished by S. S. S., the most potent, the most active and the most naturally stimulating blood medicine known. You do not need purgatives; do not be alarmed at the presence of sugar nor of so-called sediment.

Just stick to S. S. S. and bear in mind that this celebrated remedy has such a specific stimulating action on the local cells of the liver as to preserve their mutual welfare and give a proper relative assistance, each cell to the other.

Dropsical tendencies are thus overcome, biliousness soon becomes a memory and jaundice, malaria, affections of the spleen and glandular swellings will be entirely eliminated. You will find S. S. S. on sale at all drug stores and for competent medical advice, free, consult by mail the laboratory of The Swift Specific Co., 157 Swift Bldg., Atlanta, Ga.
