Maurice Eben, Joseph; Geo. T. Coyne Portland; and F. C. Parker of Seattle are among those stopping at the Foley.

A very fashionable young man stopped at a florist's one hot summer day to order a box of flowers sent to his lady love. At the same time he also purchased a design for the funeral of a friend. On the card for the box he wrote: "Hoping this may help you to bear the heat." The other card bore the one word, "Sympathy." Very soon the girl telephoned: "Thank you so much for the flowers. But why did you write 'Sympathy' on the card?"—National Monthly.

Writing Popular Songs.
Only those who have tried it and failed know the disappointments of the song writer striving to induce a publisher to look at his work. For those who would try here is a tip from one who has made good: "If your song is to make a bit the air must be hard to remember, though catchy and pleasing. If it can be whistled by any one who hears it once or twice it will not sell, and the publisher will reject it."—New York Sun.

Wonderful.
Critic—The heroine of your story, old man, is simply wonderful. Author (delightedly)—You think so? Critic—Yes. You say on page ten that she hissed "You are a liar!" and any woman who can hiss such a sentence as that can't help being wonderful. Boston Transcript.

Cold Comfort.
"Oh, papa, Mr. Spooner proposed last night."
"Are you sure he loves you?"
"He said he'd die for me, papa."
"Well, you'll both die if you try to live on the salary he's getting."—Boston Transcript.

Rather Otherwise.
"Is your daughter musical?"
"Well," replied Mr. Cumrox, "she seems so in conversation, but when she sings opinions differ."—Washington Star.

The Test of Time

Time determines whether the policies under which a bank is operated are safe. This bank has been in business twenty-six years. It has grown steadily until it has become one of the strongest and most prosperous financial institutions in the West. The soundness of its policies is attested by the long list of conservative business men who transact their business here; also by an earned surplus of \$130,000.00, the work of time and the result of conservative management. This bank has facilities for taking care of more high grade business and offers its services to those who appreciate the best in banking.
