It is true that women more frequently suffer from kidney trouble than men. It is also true they suffer more intensely, owing to their more sensitive organism. Katherine L. Norton, New Bedford, Mass., says: "I had a terrible pain across my back with a burning and scalding feeling. I took Foley Kidney Pills as advised, with results certain and sure. The pain and burning feeling left me, I felt toned up and invigorated. I am glad to recommend Foley Kidney Pills." They are tonic in action, quick in results. Hills Drug Store.
