MUSICIANS WIN FAVORS

BEST PROGRAM RESERVED FOR THIS EVENING.

Sacred Concert Taxes Repertoire of Stellar Musicians.

The first program of the fourth annual chautauqua opened with a deluge of harmony. "Recall" by the Boy Scouts found the pavilion packed with an enthusiastic audience whose appreciation soon waxed warm with applause. Contrary to the usual program the numbers of the Sierra quartet consisted of duets, trios, and quartet work which proved to be much more popular with the people than the usual line of solo work.

Mrs. Anderson, contra-alto, is perhaps the most popular of all.

The program of the afternoon was well rendered and special mention must be made of their rendition of "One Sweetly Solemn Thought."

The evening program of the company though well rendered was taxed because until the last they kept within the bounds of sacred music. However the audience went away well satisfied and convinced that the first day of chautauqua had been a wonderfull success. Following are the programs given yesterday.

Banner Number Tonight.

Operas will supply the sources of most of the numbers tonight, and the members themselves are free to admit that their closing program tonight will be of greater merit than the numbers last evening. Collectively or individually the company won instant favor yesterday but tonight they will attain to the highest point of perfection in a well varied program consisting of the following popular numbers in which the quarter will excel above anything else yet attempted by them during their appearances in the city:

Bridal Chorus from "Rose Maiden" ..... Cowan
Duet for soprano and baritone from "Il Trovatore" ..... Verdi
Alto Solo—"Lieta Signor". Meyerbeer
Trio for soprano tenor and baritone—"Praise Ye" ..... Verdi
Tenor solo—"Spirto Gentil" ..... Donizetti
Sextet from "Lucia di Lammermoor" ..... Donizetti
Soprano Solo—"Voi la Sapete" ..... Mascagni
Baritone Solo—"Prologue from Il Pagliaci" .....
Duet for soprano and tenor—"Miserere" from Il Trovatore ... Verdi
Quartet from "Rigoletto" .... Verdi

By special request, the organization will sing "Then You Remember Me," from Balfe's "Bohemian Girl."

Alfalfa Crop Damaged.

Take Plenty of Time to Eat.

There is a saying that "Rapid eating is slow suicide." If you have formed the habit of eating too rapidly you are most likely suffering from indigestion or constipation, which will result eventually in serious illness unless corrected. Digestion begins in the mouth. Food should be thoroughly mastidcated and insalivated. Then when you have a fullness of the stomach or feel dull and stupid after eating, take one of Chamberlain's Tablets. Many severe cases of stomach trouble and constipation have been cured by the use of these tablets. They are easy to take and most agreeable in effect. For sale by all dealers.
