what to do.

Mrs. E. W. Brookler, 2010 Third St., La Grande, Ore., says: "For thirty years my kidneys were weak and I left the trouble go on so long with out attention, that my system was filled with uric poison. I had terrible backache, and pains in my loins and sides; I was nervous, couldn't sleep well and felt all tired out. It was hard to do my housework, and I was miserable in every way. Several doctors treated me, but didn't seem to benefit me very much. A friend advised me to try Doan's Kidney Pills, and the first box gave me relief. By the time I had used three boxes, the backache had gone and my kidneys were in good shape. You may continue publishing the testimonial I gave for Doan's Kidney Pills, after I first used them. I certainly have faith in their curative powers.

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

The Problem Was Clearly Untenable. Dorothy, a little first grader in the city schools, has a small brother who is considered an angel child by no one but mamma. So when teacher gave Dorothy this problem, "If your mother should give you 5 cents for keeping Jack while she goes to market on Saturday how much would you earn in six weeks?" she readily replied "Why, Miss Hudson, I wouldn't keep that naughty boy if mamma gave me a quarter." The Excelsior Reels off the Miles while Others Stop to Catch Their Breath

The Excelsior is the fastest stock Motorcycle in the world. It has a certain "snap" and "punch" that just carries its riders in perfect safety to easy victory.

The best part of it all is that the EXCELSIOR "always makes good." You can depend upon that absolutely and positively. No other machine has a show when the Giant-powered "Ex" is on the entries. We back up our statements with pictorial proof and uncontrovertible facts. The records below are of the races held at Portland, Ore. They are more than cut and dried figures. Please note these interesting facts:

In Race No. 6 the winning "Ex" was a special stripped stock. Motor made 5 miles in 4:40 from a standing start.

The fastest mile was reeled off in 51 seconds flat. This machine was used by Mr. L. C. Rose, president of the Excelsior Motorcycle Co., Inc., of Portland, Oregon, for 17,000 miles, and has never received the slightest bit of repairs outside of two new piston rings two days before the race.

The 5 mile professional 4 H. P. ported race was won by Mr. Simmons, a 180 pound man, on an "Ex" which ran 68,000 miles in actual service for the Portland R. L. & Power Company. And so it goes. Behind each "individual Ex" victory is a bit of interesting history.

SIX "FIRSTS," ONE "SECOND" OUT OF SEVEN RACES.
