as mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally and made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials free.

The Mothers

Bright Finish

THERE is always a charm and individuality about the old spoons which the early makers forged and wrought by hand. Absolutely plain, bright polished silverware is always rich and impressive and in our Mothers Patten we have given this look of chasteness and dignity which the hand wrought spoon had. Designed from a very old pattern it is a perfect reproduction of the style our forefathers used and loved so well, and meets the demand in every way for a plain, bright finished Colonial pattern.
