We Have the Workmen

and we did not have to send east to get these workmen, either. They are honorable men, who make good. They will not turn out a car that is not properly repaired. They are honest with me, honest with my customers and honest with themselves. They are the highest priced men in the city, but their time, skill and labor goes on your job of repair work at the same price that other garages are charging for inferior workmen.

Bring your work to us where there is no guess as to its being done right. The cost to you is no more and the results will gratify you.

Always at your service night and day.

ROAD HURRIED

SMITH MOUNTAIN PEOPLE ARE AWAITING LINE.

Palmer Road Up Howard Creek Is Being Hurried Along.

Minam, July 11.—(Special)—John Fisher of Smiths Mountain, took a trip to Howard Creek Wednesday and visited the Palmer Co. camp at that place. He reports the work coming on very rapidly on the new road and at the rate they are coming for the last week or so, the Howard Meadow people need not be surprised to see a train passing through their country before long.

The picnic a few days ago at Scott Brothers' saw mill, on Smith's Mountain, was well attended. A bountiful dinner was served at 12:30 and the table fairly groaned under the load of good things that the ladies of Smith's Mountain had prepared for the feast. After dinner a plentiful supply of ice cream and lemonade, candy and nuts was served to all. Then various games were played and races run, and the sports of the day were finally closed by a base ball game by the Smith Mountain team, and everyone returned home having enjoyed a pleasant and sociable day.

Mrs. E. May Barton and Miss Lilly Riddle drove to Wallowa Wednesday, and returned the same day. They made a short visit with Mrs. Barton's brother and family. Mr. Bert Oliver of Lower valley on their way home.

Born, to Mr. and Mrs. Albert Peterson, July 3rd, a son. Dr. Gregory of Wallowa, attended. Mother and baby doing well.

Mr. and Mrs. Monty Witty went to Elgin for the 4th and to visit with relatives and friends.

Alva Victor was a visitor on Smith Mountain Wednesday.

There was a picnic at the Wallowa fish hatchery the 4th and a dance in the evening. All enjoyed a good time.

Quite a bunch of the Minam people spent the 4th at Elgin and returned home on Sunday's train. All report having a fine time.

Mr. and Mrs. Frank Gregory spent the day Thursday in Wallowa.

Miss Beatrice returned to Elgin last week after a short visit at her home in the Minam.

Mrs. E. B. Fisher was a passenger on Sunday's train to Elgin, returning on Monday.

Mrs. Sadie Wyatt returned Saturday from Portland, where she went several days ago to attend the conference at that city.

Donald Riddle is spending the 4th in La Grande with relatives and friends.

Mr. and Mrs. Littlefield of the Minam, spent the Fourth at the Wallowa fish hatchery.

Mr. and Mrs. Jno Riddle were unable to attend and enjoy the 4th of July picnic as they were called to the bedside of a sick neighbor. All there regretted their absence very much.

Mrs. Archert and children of Minam, went to La Grande for several days' outing and to spend the Fourth with her husband.

Baker Mill Closed.

An accident to the engine at the plant of the Oregon Lumber company at South Baker about noon yesterday.

Democrat. The trouble was caused by a broken crank pin which allowed one piston to crash through the cylinder, completely putting the engine out of commission and threatening the lives of the engineer and fireman, who, however, jumped to safety in time.

The accident comes at a most inopportune time, for aside from being rushed with their own orders, the Oregon Lumber company has been filling orders for the Baker White Pine Lumber company, whose plant was completely destroyed by fire several weeks ago.
