

LOGGING ROAD LINE BUILDING

FLORA AND PARADISE ANXIOUS FOR COMPLETION.

Common Carrier Logging Road Taps Fertile Belt.

Wallowa, Ore., July 12.—(Special)—Several crews of men steadily employed on the Nibley-Minnaugh Co. logging road are nearing the completion of about three miles of track which is being laid near Whiskey creek. Many difficulties are being encountered owing to the fact that thus far the creek has been bridged six times and is now ready for the rails. Just as soon as the O. W. R. & N. Co. puts in the frog at the connection with the line, the work will proceed expeditiously, and will be operating about autumn. The residents of Flora and Paradise are looking forward in happy anticipation to the completion of this road because it means the solution of transportation in this section of the country.

Pioneer Day.

The Pioneer Association of Union county will hold their annual meeting at Cove July 23. The exercises will be during the forenoon.

Beware of Ointments for Catarrh That Contain Mercury

Mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally and made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials free. Sold by Druggists. Price 75c per bottle. The Excelsior Reels off the Miles while Others Stop to Catch Their Breath

The Excelsior is the fastest stock Motorcycle in the world. It has a certain "snap" and "punch" that just carries its riders in perfect safety to easy victory.

The best part of it all is that the EXCELSIOR "always, makes good." You can depend upon that absolutely and positively. No other machine has a show when the Giant-powered "Ex" is on the entries. We back up our statements with pictorial proof and uncontrovertible facts. The records below are of the races held at Portland, Ore. They are more than cut and dried figures. Please note these interesting facts:

In Race No. 6 the winning "Ex" was a special stripped stock. Motor made 5 miles in 4:40 from a standing start.

The fastest mile was reeled off in 51 seconds flat. This machine was used by Mr. L. C. Rose, president of the Excelsior Motorcycle Co., Inc., of Portland, Oregon, for 17,000 miles, and has never received the slightest bit of repairs outside of two new piston rings two days before the race.

The 5 mile professional 4 H. P. ported race was won by Mr. Simmons, a 180 pound man, on an "Ex" which ran 68,000 miles in actual service for the Portland R. L. & Power Company. And so it goes. Behind each "individual Ex" victory is a bit of interesting history.

SIX "FIRSTS," ONE "SECOND" OUT OF SEVEN RACES.
