

How Do You Spend Your Money

Are you doing it in a way to receive substantial benefit? Are you laying aside something for a "rainy day"? If not, you will never have a better time to begin than now. To get quickly started, begin the easiest way; come to

The United States National Bank

and open a Savings Account. Do not wait for a large sum, for it may never come; just deposit whatever you have to spare, no matter how small the amount. We will gladly assist you in getting started. Each pay day when you get your check, deposit a portion of it and remember it will draw 4 per cent from the date it is deposited. This bank is owned and controlled by local people.

HAY RANCHER WEARS SMILE

HUNDREDS OF ACRES HARVESTED WITHOUT RAIN.

Heavy Losses Sustained Earlier Recouped by Good Finish.

An item of deep interest to consumers of hay is that the past 10 days has been ideal for haying and that in that time vast acreages of hay have been cut, cured and stacked without rain. For a time it appeared the hay crop of this valley would be universally destroyed by rain but after several hundred acres of good hay had been ruined, there came sunshine and then happiness. The entire valley reports the same conditions that prevail near La Grande and every day this week finds some big hayman who has hauled his last load to the stack. Thousands of dollars have been saved to valley farmers by the run of good weather. Regardless of this streak of luck for some, there were still many others who lost heavily on hay.

Little new prevails in the local market circles today.

as mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally and made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials free.
