PATHE PEOPLE TO TELL WORLD OREGON NEWS

Oregon will be set in motion all over the world as a result of a visit to the state by Ralph R. Earle, representing Pathe's weekly, a motion picture record of events which is seen each week in picture houses throughout the United States and European countries by more than 20,000,000 people.

It was with the cooperation of Louis W. Hill, chairman of the board of directors of the Great Northern railway and William Hanley, of Burns, Oregon, that the motion picture man was enabled to secure some very remarkable views of Central Oregon agricultural and industrial scenes.

Making the trip into Bend over the Oregon Trunk railroad, the Hill line that has opened up the great Central Oregon country, the motion picture man was taken to Burns, in Harney county, by automobile a distance of 150 miles. For a week the Pathe representative toured Harney county covering more than 1,000 miles by automobile to secure films that will show to the world the openings for homeseekers on the free government lands of Oregon.

While a visitor on the Double O ranch, owned by Hanley, more than 2,000 head of cattle were rounded up for the pictures. Motion picture panoramas will show the extent of the great valleys of Central Oregon and the Blitzen canal, just completed by Hanley through the Blitzen valley. This big irrigation ditch, formed by the waters of the Blitzen river, drains more than 100,000 acres of land and is forty miles long. The pictures will show the hog and sheep industry, homeseekers coming into the country, the sage brush land before and after the arrival of the homeseeker and generally give a truthful picture of the opportunities and possibilities of Central Oregon.

Louis W. Hill is one of the foremost of Northwest developers and believes in the motion picture to give wide-spread publicity to what Oregon has to offer to newcomers.

The Pathe people have also secured a reel showing the scenery of the Deschutes canyon where the Hill lines expended an enormous sum of money to build the Oregon Trunk railroad into the Central part of the state. The pictures secured by the Pathe people are the first of the kind ever taken in Oregon and will be shown in the leading motion picture theaters all over the world.

New Bridge for Union.

The members of the county court accompanied by bridge experts, were in the city Friday of last week conferring with members of the city council and citizens of Union for the purpose of arriving at a conclusion relative to the Catherine creek bridge, and it was decided to put in a bridge the full width of the street and about forty feet the other way. The bridge is to be of steel, with concrete abutments, and will cost about $4000. The material will be ordered and the bridge put in at once.—Union Republican.

There Is a Deadline on Cost of Furniture

BY THIS WE MEAN THERE IS A CERTAIN COST THAT IS BEDROCK. WE HAVE HIT THAT BEDROCK AND FOR THE NEXT FEW WEEKS YOU CAN FURNISH YOUR HOME AT A GREAT SAVING. THESE ARE THE MELANCHOLY DAYS OF SUMMER, BUT WE MUST DO SOME BUSINESS, NEVERTHELESS. THERE IS NO PERIOD OF PITCHING HORSESHOES OR PLAYING TIDDLE-WINKS IN THE STORE, AND TO MAKE GOODS MOVE DURING THE WARM WEATHER. WE WILL MAKE PRICES THAT TOUCH THE BEDROCK.
