BARN SOCIAL BIG AFFAIR

NEW TYPE OF BARN ARCHITECTURE IS SHOWN.

Circular Barn Built at Mount Glenn—Event Is Celebrated.

Mt. Glenn, July 19.—A barn social was given by C. P. Edvalson Tuesday night in his splendid new circular barn. Over fifty couples were present and enjoyed themselves in the social dance until the wee sma' hours of the morn. The barn is of modern type and doubtless the forerunner of many to be built here. The ground floor is of cement and the second floor of surfaced lumber. Water will be piped through the building so that the stock may be watered without turning them out. The circular barn is the most convenient and substantial form that can be built and is very popular in many parts of the east.

Albert Feek's new barn was thrown six feet from its foundation by the wind Sunday evening. It was necessary to get a house-moving outfit from La Grande to set it back on its base.

Grover Grimmett and J. D. McKennon have completed their alfalfa hay harvest. This year they were fortunate in getting their hay in their barns before it was damaged by rain as was the case last year.

It is expected a saw mill will be put in here this fall by J. L. Feik and sons.

Huckleberry pickers are bringing in some fine berries this week. Several have been able to gather over two gallons each in a day.

Sunday Services at Summerville.

Next Sunday Rev. Everet Smit will preach in the Presbyterian church at Summerville. For the morning service the subject will be, "What is True Freedom, and Who Enjoys It?" In the evening the subject will be marriage and divorce. Math. 19:6. A cordial welcome is extended to all.

ODD PILGRIMAGE SURE.

Knights of Pythias to Scale Eagle Cap for Initiation August 14.

The Eagle Cap trip, to be made by the Knights of Pythias lodge members of Enterprise, August 14, continues to hold the interest of the many who plan on joining the pilgrim. The committee has been circulating its cards of explanation and members will be expected to send in returns very soon. All who will go should so indicate on the cards and mail to the committee, which then will be able to divide up the little army into brigades and companies and squads.

Interest in the excursion has extended to Knights of Pythias circles all over the northwest, as well as to the general public. Many inquiries concerning it have been received, and not a few outsiders want to go along. As initiation of a large class will take place on the summit of Eagle Cap.

The Gossard Corset Fulfills Your Corset Ideal

Whatever your aim in wearing a corset, you can attain it by wearing a Gossard.

Whether you seek style or comfort, or an attractive figure, with

THE Gossard CORSETS

you can realize your desire. The Gossard gives you perfect ease of body movement in any position, and shows off perfectly the natural lines of beauty that are at the bottom of every fashion in dress and the secret of attractiveness.

A trial fitting will surprise you. I have had six years of experience in fitting Gossard Corsets, and I know what model is best suited to your form.

A complete line of new models, also lace front brassieres, back pads, sanitary belts and aprons.

COMMITTEE

Elk Running at Large.

Enterprise, July 19.—(Special)—An elk is making its home in Bert Eggleston's pasture just south of Enterprise. It was seen browsing quietly yesterday morning by S. L. Burnaugh, Jr., and Frank A. Reavis, who were riding past in an automobile. They had a camera with them and returned a few minutes later thinking they might

get a photograph of the animal, but it had disappeared in the brush. The elk is supposed to be one of the band brought in from Wyoming last winter. When they were unloaded at Joseph where they were kept until the roads got good enough to permit the trip to Billy Meadow pasture, one leaped the corral fence at Westley Duncan's livery stable. It has been reported once or twice since.

Frost in Willows County.

A July frost visited many spots in Willows county Monday morning, nipping tender vegetables. The minimum recorded in Enterprise was 28 degrees, which probably continued only a short time. Reports from many parts of the county warrant the belief very little damage was done. The frost also was reported in some places in Union county.—Enterprise Record-Chief-tain.
