Those Who Use the Celebrated Elkhorn Flour

Express unmistakable praise for it. Read what a professional cook has to say—

Oregon Mill & Grain Co., Baker, Oregon. Gentlemen:

Stoddard's Camp, Whitney, Oregon. May 19, 1913.

I have been using your "Elkhorn" Flour all winter in this camp and find it superior to "Snow Drift" and other brands of Washington flour. Yours truly, A. A. NORTON, Cook Stoddard's Camp

I received your letter, and will say you may publish the letter if you want to as I have used a good many brands of western flour and yours is one of the very best. Yours truly, A. A. NORTON.

The Excelsior Reels off the Miles while Others Stop to Catch Their Breath

The Excelsior is the fastest stock Motorcycle in the world. It has a certain "snap" and "punch" that just carries its riders in perfect safety to easy victory.

The best part of it all is that the EXCELSIOR "always make good." You can depend upon that absolutely and positively. No other machine has a show when the Giant-powered "Ex" is on the entries. We back our statements with pictorial proof and uncontrovertible fact. The records below are of the races held at Portland, Ore. They are more than cut and dried figures. Please note these interesting facts:

In Race No. 6 the winning "Ex" was a special stripped stock Motor made 5 miles in 4:40 from a standing start.

The fastest mile was reeled off in 51 seconds flat. This machine was used by Mr. L. C. Rose, president of the Excelsior Motorcycle Co. Inc., of Portland, Oregon, for 17,000 miles, and has never received the slightest bit of repairs outside of two new piston rings two days before the race.

The 5 mile professional 4 H. P. ported race was won by Mr. Simons, a 180 pound man, on an "Ex" which ran 68,000 miles in actual service for the Portland R. L. & Power Company. And so it goes. Behind each "individual Ex" victory is a bit of interesting history.

SIX "FIRSTS," ONE "SECOND" OUT OF SEVEN RACES.

Three Miles, 61:00, Ported Excelsior first, second and third, time, 2:38!

Five miles, 30:50, ported, Excelsior first, time, 5:00.
