Two Banana Days This Week

The Grocers have designated Tuesday and Thursday of this week Banana Day. On these two days only Bananas will be sold at 25c per dozen. The price is not the result of any unfavorable condition of the market or any slump in the price but a local arrangement to stimulate the trade and move Bananas.

"A Banana a day keeps the Doctor away." It is a good, wholesome food that enters into the dietary every day in the year. It's both meat and bread and is not intended solely for the plutocrat or millionaire, at the usual price it is a splendid food value as compared to the cost of other edibles but the price of 25c on Banana Day places this delicacy within the reach of the most economical buyers. The Excelsior Reels off the Miles while Others Stop to Catch Their Breath

The Excelsior is the fastest stock Motorcycle in the world. It has a certain "snap" and "punch" that just carries its riders in perfect safety to every victory.

The best part of it all is that the EXCELSIOR "always makes good." You can depend upon that absolutely and positively. No other machine has a show when the Giant-powered "Ex" is on the entries. We back up our statements with pictorial proof and uncontrovertible facts. The records below are of the races held at Portland, Ore. They are more than cut and dried figures. Please note these interesting facts:

In Race No. 6 the winning "Ex" was a special stripped stock. Motor made 5 miles in 4:40 from a standing start.

The fastest mile was reeled off in 51 seconds flat. This machine was used by Mr. L. C. Rose, president of the Excelsior Motorcycle Co., Inc., of Portland, Oregon, for 17,000 miles, and has never received the slightest bit of repairs outside of two new piston rings two days before the race.

The 5 mile professional 4 H. P. ported race was won by Mr. Simmons, a 180 pound man, on an "Ex" which ran 68,000 miles in actual service for the Portland R. L. & Power Company. And so it goes. Behind each "individual Ex" victory is a bit of interesting history.

SIX "FIRSTS," ONE "SECOND" OUT OF SEVEN RACES.

Three Miles, 61:00, Ported Excelsior first, second and third, time, 2:20:00.

Five miles, 30:50, ported, Excelsior first, Time, 5:00.

Five miles, 61:00, stripped stock, Excelsior first, time, 4:46.

Four miles, 30:50, stripped stock, Excelsior first, time, 4:18.

Five miles, 61:00, stock, Excelsior first and second, time, 4:40.

Five miles, 30:50, ported, Excelsior second, time, 5:07.

Three miles, 61:00, ported, Excelsior first and third, time, 2:34.
