VACUUM CLEANER SALE

SPECIAL PRICE TO OBSERVER SUBSCRIBERS.

Expert Demonstrator Here to Explain Workings of a Good Machine.

To the Housewives of La Grande: The La Grande Evening Observer has an emancipation proclamation of its own to make, one that will free all women who have been slaves to the broom and all men who have been thralls to the carpet beater. Briefly put, it is offering a bargain in a vacuum cleaner, and by an arrangement made with the manufacturing company will place this modern household necessity in the reach of all for less than half of the regular market price. Here is the offer. All subscribers to the La Grande Evening Observer may secure a Junior guaranteed cleaner for \$4.85, the factory price, and those who are not taking the paper may take advantage of the offer by subscribing to the daily for

four months if delivered by carrier or for six months if delivered by mail. This is the proposition in as few words as possible. Anyone interested in the plan may have the vacuum cleaner demonstrated at their home by telephoning to the La Grande Evening Ob-

server, Main 13. Geo. Zain, a representative of the Hugo Manufacturing company, of Chicago, is here and it is his business to explain the operation of the cleaner. It is a simple piece of machinery and can be operated as successfully by a child as by an ex-

pert mechanic. It sells in retail markets at \$10.00, and the arrangement by which the La Grande Evening Observer people are able to save \$5.15 is made by the company as an advertising medium. The offer will hold good for a limited time only.
