WADDELL FINDS TOWNS WILLING TO ENTER.

Baker, Boise, Caldwell and La Grande In Organization.

Baker, July 22.—Joseph Waddell has recently returned from several cities where he has spent the past week arranging for the fall race meeting to be held during the county fairs, Boise, Caldwell and La Grande have signified their intention of entering the circuit, and excellent purses will be hung up for the events.

Nearly \$5000 has already been offered for the races, several purses will aggregate \$500 each.

Many horses along the line will enter and the association is assured of one of the most successful meets that has ever been held in the city.

Delmas Paced Fast Half Mile.

Although there were no matched races at the fair grounds yesterday owing to the small crowd present, one of the prettiest exhibitions in pacing ever witnessed on the local turf was given. Delmas paced the half mile in the fastest time of 1:04. This is within one-half second of the Pacific coast record for half mile tracks and considering the slowness of the track, and the fact that the animal was held a part of the distance, it was a noteworthy feat.

A Good Investment.

W. D. Magli, a well known merchant of Whitemound, Wis., bought a stock of Chamberlain's medicine so as to be able to supply them to his customers. After receiving them he was himself taken sick and says that one small bottle of Chamberlain's Colic, Cholera and Diarrhoea remedy was worth more to him than the cost of his entire stock of these medicines.

EXECUTIVE COMMITTEE WILL MEET JULY 29.

Important Business to Be Transacted at Committee Meeting.

Members of the executive committee of the Eastern Oregon division of the State Teachers' association, will meet in La Grande July 29 to transact important business and arrange for the annual convention of Eastern Oregon teachers to be held in La Grande Thanksgiving week. Mrs. Stella Engle of this city, is president and ex-County Superintendent E. E. Bragg is secretary. The meeting will call Eastern Oregon educators to La Grande for the day and important business will be transacted on that date. Those who are members of the executive committee are:

State Superintendent J. A. Churchill; J. S. Landis, city superintendent, of Pendleton schools; J. F. Smith, county

WILL MOVE TOOL HOUSE.

City Property at Gravel Pit to Be Used for Tool House.

A misunderstanding seems to prevail generally as to the council's action in adopting a location for the tool house which must be moved to make room for the city library at Fourth and Pennsylvania. The McCall property will not be leased, as reported Thursday but the intersections of two streets near the McCall property, will be used. This intersection strikes the gravel pit at that point and the city will obtain free lease of the ground for several years at least. The move will take place in a few days.

William Allinson returned from Baker and Haines today, where he has been on flour business.

superintendent of Umatilla county; J. C. Conley, county superintendent of Wallowa county; E. G. Bailey, city superintendent of Ontario schools; In addition to these the president secretary will attend.

Famous \$10.00 Junior Vacuum Cleaner

In the homes of each of its subscribers at factory cost, at - - - - \$4.85

If you are not already a subscriber you can subscribe now for six months and get the benefit of this offer

Don't spread the dust with a broom; collect it with a vacuum cleaner. Sweeping and dusting is three quarters of the work, especially in this dusty country. Not only is sweeping hard on the person doing the work but it is hard on your rugs and carpets. Don't you notice that every time you sweep you sweep the nap of your rug or carpet out and then say "Well this rug or carpet ought to have lasted longer; we paid enough for it." No, Madam, it is your own fault, not the quality of the rug. It is the way you treat them; and the most dangerous part of it all is breathing the dust and germs that are always in the rugs and carpets. There is no use in taking any chances when you can get a vacuum cleaner that will do the work.

This vacuum cleaner is always ready for use as a broom. You will be surprised how easy it operates and how nice it does the work. If you have had your house cleaned call for a demonstrator and he will show you that there is more dust in your home than you thought there was.

Remember, we are not in business to sell vacuum cleaners. This is a premium offer to get new subscribers, giving the benefit to old ones.
