Surprising Cure of Stomach Trouble.

When you have trouble with your stomach or chronic constipation, don't imagine that your case is beyond help just because your doctor fails to give you relief. Mrs. G. Stengele, Plainfield, N. J., writes: "For over a month past I have been troubled with my stomach. Everything I ate upset me terribly. One of Chamberlain's advertising booklets came to me. After reading a few of the letters from people who had been cured by Chamberlain's Tablets, I decided to try them. I have taken nearly three-fourths of a package of them and can now eat almost everything that I want." For sale by all dealers.

VACUUM CLEANER SALE

**SPECIAL PRICE TO OBSERVER
SUBSCRIBERS.**

Expert Demonstrator Here to Explain Workings of a Good Machine.

To the Housewives of La Grande:

The La Grande Evening Observer has an emancipation proclamation of its own to make, one that will free all women who have been slaves to the broom and all men who have been thralls to the carpet beater. Briefly put, it is offering a bargain in a vacuum cleaner, and by an arrangement made with the manufacturing company will place this modern household necessity in the reach of all for less than half of the regular market price. Here is the offer. All subscribers to the La Grande Evening Observer may secure a Junior guaranteed cleaner for \$4.85, the factory price, and those who are not taking the paper may take advantage of the offer by subscribing to the daily for four months if delivered by carrier or for six months if delivered by mail. This is the proposition in a few words as possible. Anyone interested in the plan may have the vacuum cleaner demonstrated at their home by telephoning to the La Grande Evening Observer, Main 13. Geo. Zain, a representative of the Hugo Manufacturing company, of Chicago, is here and it is his business to explain the operation of the cleaner. It is a simple piece of machinery and can be operated as successfully by a child as by an expert mechanic. It sells in retail markets at \$10.00, and the arrangement by which the La Grande Evening Observer people are enable to save \$5.15 is made by the company as an advertising medium. The offer will hold good for a limited time only.

A Good Investment.

W. D. Magli, a well known merchant of Whitewater, Wis., bought a stock of Chamberlain's medicine so as to be able to supply them to his customers. After receiving them he was himself taken sick and says that one small bottle of Chamberlain's Colic Cholera and Diarrhoea remedy was worth more to him than the cost of his entire stock of these medicines.

Announcement Oregon Normal School

For teachers—The Oregon Normal school is Oregon's institution for the preparation of teachers for the public schools. The entire time and attention of the school is devoted to this purpose, and only students intending to be teachers are admitted.

The faculty—The faculty, numbering eighteen members, is chosen for the expressed purpose of training the teachers for public schools, and directs its entire energy upon this one thing.

Departments—The several departments offer every form of work required in the public schools, including supervision and school management and domestic science and domestic art. A well equipped gymnasium and athletic grounds furnish ample opportunity for training in every phase of physical culture.

Equipment—The school has at present commodious buildings in which to do its work. These buildings have every appliance for good work and are kept clean and sanitary so that the students may have the best conditions for work at all times.

Training school—The normal maintains a complete system of training schools from the first to the eighth grade inclusive, and it is in charge of skillful and professionally trained teachers.

Term begins—The fall term begins September 15. For further information with regard to the school, address President J. H. Ackerman, Monmouth, Oregon.

A Special "Don't".

Don't use cough medicine that contains opium or morphine. It may stifle the cough, but it will constipate the bowels, keep the poison in the system, and not cure the cold. Take Foley's Honey and Tar Compound. It contains no opiates, is soothing and heal-

ing, mildly laxative. It is a safe and reliable curative medicine. Ad. Hill's Drug Store.
