HOLLISTER WINS

(Continued from Page One.)

since the day Theodore Roosevelt was here.

The racers got away five minutes later than schedule, for Renard, of Baker, drew the first place and got away on the dot of 1:35. He was the first to meet trouble for he never reached Hot Lake. Hollister was second man out and the first to finish and his marvelously cool head saved the day for him. He hit a steady gait, and had little machine troubles although he met severe obstacles. He was held four mites at Haines and ran out of oil after he had got to La Grande and had to go to the garage for stock. Walker was in trouble with a flat tire just outside La Grande while Hollister was hunting oil, and pulled in second but his time was bested by Olson, who made a most sensational run. He lost his way several times. He had come from Ontario at 10 o'clock on his motorcycle on the day of the race.

Geddes' machine caught fire just beyond Union, after a thrilling ride that far, and Hug of Elgin, broke a fork before he got out of La Grande. Hose, a champion roadster of Portland, burned up ground at times but at frequent intervals had serious machine troubles. He was out of the race before he reached Baker, so far as taking a paying place was concerned.

Zweifel, of La Grande, had trouble after leaving Union and though he patched and went on, it was only to have more trouble and he was finally forced to quit at Haines on the going trip. Complete destruction of his rear tire was responsible.

Sieg, of Baker, came back in about the best physical condition of anyone and was within a fraction of a second of beating Walker's time. Vehrs riding for Parker, hit a puncture and found he had no pump to restore the wind. This was at North Powder.

Hill, an experienced motorcyclist had trouble much of the way, and although he finished he was well in the rear. Walker, of Pendleton, was bruised the most severely of any and was badly exhausted when he pulled over the line. There were serious accidents to the machines in a few instances, but the race was replete with spills. The race was so unique, so sensationally interesting, so well arranged, so entertaining, that "Pat" SeCor and those who helped him stage it were showered with congratulations. Pat made good. It was one of the best "stunts" La Grande as a city, has stood sponsor for, and that interest was not confined to La Grande alone. It was manifested by the crowds that surged the course between here and Baker. The results of individual contestants was:

- 1 Howard Geddes, La Grande, 7 h. p. Indian, starting time 1:40, arrival at Union 2:21.

Protest Is Filed.

Protest against the award of third place to Walker has been made but late this afternoon no definite action has been taken on the decision. Walker broke a front wheel early in the race and obtained a substitute wheel from a noncontestant. This is held to be the grounds for protest. If Walker is disqualified Sieg will get third money and Olson retain second place.

RACE NUMBERS GOOD.

Fine Entertainment Given Spectators During the Afternoon.

The whole of yesterday's program centered around the motorcycle races there were other attractions that were enjoyed by the large crowd of people.

In the first harness race which was a 2:30 trot, two in three, half mile heats, Amy McKinney took the first heat in 1:20, lost the second to Montasano Boy, who made it in 1:16 1-2, and claimed the third heat in 1:18.

The free for all pace showed both speed and class with Allerdaw, Tamarack The Red, and Delmas starting; Delmas squared away and did beautiful work taking every heat, the first in 1:07, the second in 1:04 and the third in 1:02 3-4. The last heat broke the track record for this year in the state.

Teddy McGregor and John Bacon were the starters in the 2:30 pace and John Bacon took two heats with ease at 1:17 and 1:15.

A half mile running race was won by Lataranta, with Dave Weber second and Eva McGinnis third—time .52.

Quarter mile dash finished with Lataranta first, Homelight, second; Edna Brown, third; and Laura Mills fourth—time .25 1-4.

A three-eighths mile dash had four starters and the finish was Dave Weber first; Billy Wallace, second; Whitman, third; and Blaze fourth—time .40.

In the cowboy pony race Thelma Loe won first, Sam, second; Brownie, third. Miss Osborne of Union, and Roy Peebler of Ladd Canyon, ran the relay with honors to the latter owing to one of Miss Osborne's horses losing; its head and starting around the track the wrong way.

The hippodrome race had two starters—Ben Corbett and R. Henry. Corbett was easy winner.

Several exhibition bucking contests were pulled off with John Spain in the saddle, after which H. W. B. Smith, of Union, entered two teams in a Roman chariot race. It was a stirring event and the half mile was made in 1:03 1-2 both teams finishing almost even.

Only a few minutes elapsed before the balloon ascension which was a thorough success including the parachute leap, and the large crowd left the grandstand singing praises for Secretary SeCor for furnishing such an excellent program for the afternoon.

A Good Investment.
W. D. Magli, a well known merchant of Whittemound, Wis., bought a stock of Chamberlain's medicine so as to be able to supply them to his customers. After receiving them he himself taken sick and says that one small bottle of Chamberlain's Colic, Cholera and Diarrhoea remedy was worth more to him than the cost of his entire stock of these medicines.
