## REFERENCED BILLS LISTED

### UNIVERSITY MEASURE AMONG THOSE INVOLVED.

Women's Compensation Act Not Certain of a Place on Ballot.

Several bills of importance are being groomed through referendum for the special referendum election in November, which it was decided yesterday will deal with referended bills alone. The list of bills that will be voted on, having once been passed but are being referended by foes of the measure, have been catalogued as follows by Salem officials:

State University Building Repair Fund—Referred by authority of Harry J. Parkinson, as secretary of the Oregon Higher Educational Institutions Betterment League of Portland. The purpose of this bill is to provide funds for repairs to the buildings of the University of Oregon as follows: Library building, \$50,000; engineering building, \$15,000; Deady hall, \$10,000; heating plant, \$10,000.

University of Oregon New Building Appropriation—Referred by authority of Harry J. Parkinson. This bill seeks to provide funds to construct, equip and furnish a modern fireproof administration and class room building, and to extend the heating plant to the same. The provision of this bill is \$100,000.

Sterilization Act—Referred by authority of Mrs. Lora C. Little, as vice president of the Anti-Sterilization League of Portland. The purpose of the bill is to authorize the state board of health to order such surgical operations as the board shall adjudge, to be performed upon habitual criminals, more degenerates and sexual perverts, both male and female, and define who shall be considered as such. This bill was introduced into the legislature at the request of the governor and has created a great deal of comment, favorable and otherwise.

County Attorney Act—Referred by authority of J. E. Craib of Portland. This bill provides a district attorney for every county in the state and fixes the salaries, in lieu of the present system of having a district attorney for several counties, clothed with authority to appoint deputies for other counties. This, too, is one of the bills introduced at the governor's behest and is designed to correct alleged inequalities in the present prosecuting system.

The workmen's compensation act was also referred but there is the possibility that it will not come before the people at the November election if it ever does. The bill creates a state industrial accident commission composed of three commissioners, and provides a fund for the compensation of injured workmen employed in hazardous occupations. This fund is to be raised partly by the employers and partly by employers, the commission to determine the amount to be paid any person or persons on account of any injury received in the course of his employment.

### VACUUM CLEANER SALE

SPECIAL PRICE TO OBSERVER SUBSCRIBERS.

Expert Demonstrator Here to Explain Workings of a Good Machine. To the Housewives of La Grande:

The La Grande Evening Observer has an emancipation proclamation of its own to make, one that will free all women who have been slaves to the broom and all men who have been thralls to the carpet beater. Briefly put, it is offering a bargain in a vacuum cleaner, and by an arrangement made with the manufacturing company will place this modern household necessity in the reach of all for less than half of the regular market price. Here is the offer. All subscribers to the La Grande Evening Observer may secure a Junior guaranteed cleaner for \$4.85, the factory price, and those who are not taking the paper may take advantage of the offer by subscribing to the daily for four months if delivered by carrier or for six months if delivered by mail. This is the proposition in as few words as possible. Anyone interested in the plan may have the vacuum cleaner demonstrated at their home by telephoning to the La Grande Evening Observer, Main 13. Geo. Zain, a representative of the Hugo Manufacturing company, of Chicago, is here and it is his business to explain the operation of the cleaner. It is a simple piece of machinery and can be operated as successfully by a child as by an expert mechanic. It sells in retail markets at \$10.00, and the arrangement by which the La Grande Evening Observer people are able to save \$5.15 is made by the company as an advertising medium. The offer will hold good for a limited time only.
