The Skin and Not the Blood.

Until recently it has been a generally accepted theory that eczema was a disease of the blood. Scientific investigations have taught us that eczema is positively a skin disease and curable through the skin alone. Meritol Eczema Remedy is applied directly to the diseased skin,

the effect is marvelous and its results permanent. Do not delay trying Meritol Eczema Remedy. Newlin Drug Co.

WILD HAY IS VERY PROLIFIC

LADD CANYON RANCHERS HAVE GOOD CROPS.

Huckleberries Plentiful But Not Fully Ripened Yet.

Ladd Canyon, July 31.—(Special)—Wild hay harvesting is in full tilt now while a few have finished and it seems as though crops never were much better.

Huckleberries in this vicinity are plentiful but not very ripe yet.

The new railroad from the planer at Lone Tree station to the saw mill is not completed yet, but they have been hauling two carloads of lumber a day and some times making two round trips. The lumber is being handled by train from the Robertson saw mill and loaded on the cars.

The Indians have returned to their home near Pendleton after two days' hard work digging camas. They said that the camas was small and quite scarce in the places where they dug.

Ladd Canyon was completely lighted by the illumination of the Palmer lumber company fire Sunday night, a distance of six miles. Many from here drove in town to have a closer view of the conflagration.

Miss Ruth Peebler and little sister, Marjorie, have gone to Enterprise to visit their sister, Mrs. Chas. Dougherty.

VACUUM CLEANER SALE

SPECIAL PRICE TO OBSERVER SUBSCRIBERS.

Expert Demonstrator Here to Explain Workings of a Good Machine.

To the Housewives of La Grande:

The La Grande Evening Observer has an emancipation proclamation of its own to make, one that will free all women who have been slaves to the broom and all men who have been thralls to the carpet beater. Briefly put, it is offering a bargain in a vacuum cleaner, and by an arrangement made with the manufacturing company will place this modern household necessity in the reach of all for less than half of the regular market price. Here is the offer. All subscribers to the La Grande Evening Observer may secure a Junior guaranteed cleaner for \$4.85, the factory price, and those who are not taking the paper may take advantage of the offer by subscribing to the daily for four months if delivered by carrier or for six months if delivered by mail. This is the proposition in as few words as possible. Anyone interested in the plan may have the vacuum cleaner demonstrated at their home by telephoning to the La Grande Evening Observer, Main 13. Geo. Zain, a representative of the Hugo Manufacturing company, of Chicago, is here and it is his business to explain the operation of the cleaner. It is a simple piece of machinery and can be operated as successfully by a child as by an expert mechanic. It sells in retail markets at \$10.00, and the arrangement by which the La Grande Evening Observer people are able to save \$5.15 is made by the company as an advertising medium. The offer will hold good for a limited time only.

The forest services of India has demonstrated that teak wood grown in plantations is just as strong as that grown in natural forests.
