**Long Auto Tour Ends.**  
From La Grande to Chico, Cal., and return in an automobile, is the journey just completed by Earl Zundell assistant cashier of the La Grande National bank, and his brother, La Von Zundell. They had but little trouble on the long trip that took them to Burns in Oregon, and down through Red Bluff and towns near Chico. All the vicissitudes of an overland journey however, were theirs and though interesting and delightful, had its physical discomforts at times. "A few minor tire troubles was all the price of any consequence whatever that overtook our car," said Mr. Zundell, today in speaking of the trip.
