## SUGAR UP 10 CENTS FARTHER

ALL GRADES INCLINE UPWARD  
SMALL DEGREE.

Cherries and Berries Remain Scarce—  
Roasting Corn Plentiful.

Sugar took another gyrscopic slide this morning but only for 10 cents on the hundred pound sack. All grades of sugar are inclined. This brings the sack quantity to \$6.00, cash basis, for the cane sugar and 20 cents less for beet sugar.

Except for the continued scarcity of cherries and several grades of berries there is no material change in local markets today. Roasting corn is becoming plentiful, still remaining at 35 cents a dozen ears.

Local market quotations today are:

### Good Time Now for Blood Health

Warm Days and Proper Help do Wonders for the Blood.

A few doses of that wonderful blood purifier, S. S. S., will start activities in the cellular tissues of the body and soon show decided changes in the skin. The skin is but a fine network of tiny blood vessels and the specific action of S. S. S. is declared to be a pronounced stimulation of the activity of these cells. Certain it is that in a surprisingly short time any skin eruption shows a most remarkable change; it begins to dry up; the skin scales off in tiny flakes, and soon a layer of clear, healthy and firm tissue results. The reason for this is in the peculiar stimulation of S. S. S., which enables the cells in the skin to select from the blood the nutriment it requires for regeneration. This fact has been demonstrated year in and year out in a wonderful number of cases of severe skin diseases that had seemed to be incurable. You can obtain S. S. S. at any well stocked drug store, if you insist upon it, but be sure you are not talked into something "just as good." S. S. S. is prepared by the Swift Specific Co., 180 Swift Bldg., Atlanta, Ga. Write for their illustrated book on skin diseases.
