CEMENT ORDERS REFLECT THRIFT

CEMENT REPRESENTATIVES ARE PRAISING LA GRANDE.

Boise Alone Normally Uses More Cement Than La Grande.

La Grande uses more cement than any three cities and towns in Eastern Oregon and Idaho combined, excepting Boise and Weiser. The commercial importance of La Grande is the best in Oregon and Idaho outside of Portland and Boise and is approached by Idaho Falls only from the smaller cities sources. There is better normal business and the normal business standard is higher, in La Grande than any city in Oregon outside of Portland.

These encomiums were chanted in La Grande today by "Red Devil" Edwards, the well known drummer, who sells Red Devil cement to Eastern Oregon and Idaho. He said it with "malice of forethought" too, for a group of men were discussing conditions when the commercial rank of towns came up.

"Last year we sold 52 carloads of cement to La Grande. This is just our brand and does not refer to the other grades of cement sent in here.

"For the past three years and again this year, the trade has been normally excellent. At Weiser there was one enormous order that put that town up in the front rank of cement using towns, yet the trade there is not as normal and continuous as it is here. Boise alone can keep up with La Grande," emphatically declared the drummer.

"Permanent improvements make a town and it is permanent improvement that has been going on in La Grande. I have no hesitancy in saying that among traveling men who make Eastern Oregon, the state at large or any of the northwest states, that La Grande is in the forefront of them all commercially."

Minister Praises This Laxative. Rev. H. Stubenvoll of Allison, Ia., in praising Dr. King's New Life Pills for

Boils Are a Bad Indication

Dangerous Fallacy that they are Healthy—Stop them.

The appearance of boils leads many people to consider them a sign of robust constitution. They are more apt to signify a condition of sick blood, sluggish circulation and a morbid condition of the body. Use S. S. S. for the blood.

It has the peculiar action of soaking through the intestines directly into the blood. In a few minutes its influence is at work in every artery, vein and tiny capillary. Every membrane, every organ of the body, every emunctory becomes in effect a filter to strain the blood of impurities. The stimulating properties of S. S. S. compel the skin, liver, bowels, kidneys, bladder to all work to the end of casting out every irritating, every pain-inflicting atom of poison; it dislodges by irrigation all accumulations in the joints, causes acid accretions to dissolve, renders them neutral and scatters those peculiar formations in the skin that cause boils and other skin eruptions.

And best of all, this remarkable remedy is welcome to the weakest stomach. You can get S. S. S. at any drug store. Beware of any effort to sell you something claimed to be "just as good." If yours is a peculiar case and you desire expert advice, write to the Swift Specific Co., 185 Swift Bldg., Atlanta, Ga.
