Mrs. M. E. Nibley, 2106 Third St., La Grande, Ore., says "My back ached and I had severe pains through my right side. I was all crippled up and I found it hard to do my housework. One of my relatives had used Doan's Kidney Pills and advised me to try them. Two boxes drove away the aches and pains, and there has been no return of the trouble. Everything I said about Doan's Kidney Pills when I recommended them before, I willingly confirm now."

**Remarkable Cure of Dysentery.**

"I was attacked with dysentery about July 15th, and used the doctor's medicine and other remedies with no relief, only getting worse all the time. I was unable to do anything and my weight dropped from 145 to 125 pounds. I suffered for about two months when I was advised to use Chamberlain's Colic, Cholera and Diarrhoea Remedy. I used two bottles of it and it gave me permanent relief," writes B. W. Hill of Snow Hill, N. C. For sale by all dealers.

# GRANDMOTHER USED SAGE TEA TO DARKEN HER FADED OR GRAY HAIR

Mixed With Sulphur It Makes Hair Soft, Beautiful; Cures Dandruff.  
 The use of Sage and Sulphur for restoring faded, gray hair to its natural color dates back to grandmother's time. She kept her hair beautifully darkened, glossy and abundant with a brew of Sage Tea and sulphur. Whenever her hair fell out or took on that dull, faded or streaked appearance this simple mixture was applied with wonderful effect.  
 But the brewing at home is messy and out-of-date. Nowadays skilled chemists do this better than ourselves. By asking at any drug store for the ready-to-use product—called "Wyeth's Sage and Sulphur Hair Remedy"—you will get a large bottle for about 50 cents. Some druggists make their own, which is usually too sticky, so insist upon getting Wyeth's, which can be depended upon to restore natural color and beauty to the hair; and is splendid for dandruff, dry, feverish, itchy scalp and falling hair.  
 A well known down-town druggist says his customers insist on Wyeth's Sage and Sulphur, because, they say, it darkens so naturally and evenly that nobody can tell it has been applied—it's so easy to use too. You simply dampen a sponge or soft brush and draw it through your hair, taking one strand at a time. Do this at night and by morning the gray disappears; after another application or two, it is restored to its natural color and looks glossy, soft and abundant.
