ADDITIONAL BUILDINGS AT PEN-DLETON.

Cottage for Superintendent Among the Improvements.

Work of excavation for the new buildings to be constructed at the Eastern Oregon hospital has been started and the building work will be on within a short time. It is the expectation to have the new buildings completed by November 15, according to Dr. McNary, superintendent of the hospital, who returned yesterday from his trip to Salem.

The building work now in progress will provide a cottage for Superintendent McNary and family and likewise a very modern barn and pig sty to house the livestock of the institution. The barn will provide quarters for the dairy herd and there will be stalls for 54 animals. At the present time the hospital has a herd of 30 Holsteins, imported from California, and the institution is providing its own milk supply.

Remarkable Cure of Dysentery.

"I was attacked with dysentery about July 15th, and used the doctor's medicine and other remedies with no relief, only getting worse all the time. I was unable to do anything and my weight dropped from 145 to 125 pounds. I suffered for about two months when I was advised to use Chamberlain's Colic, Cholera and Diarrhoea Remedy. I used two bottles of it and it gave me permanent relief," writes B. W. Hill of Snow Hill, N. C. For sale by all dealers.
