

How Do You Spend Your Money

Are you doing it in a way to receive substantial benefit? Are you laying aside something for a "rainy day"? If not, you will never have a better time to begin than now. To get quickly started, begin the easiest way; come to

The United States National Bank

and open a Savings Account. Do not wait for a large sum, for it may never come; just deposit whatever you have to spare, no matter how small the amount. We will gladly assist you in getting started. Each pay day when you get your check, deposit a portion of it and remember it will draw 4 per cent from the date it is deposited. This bank is owned and controlled by local people.

Of the fact that an abstract is an absolute necessity when you purchase real estate. No matter how well posted you might be—you don't have a full history of the parcel, as you do when we make an abstract of it.
