E. F. Sinclair, the "Puncture-Stop Man," has the smile that won't come off." Mr. Olson, owner of the "Baby Lion" car, last evening had a very bad "pinch out," due to a defective casing. At the same time Mr. Olson was seized with an attack of "tired feeling" instead of vulcanizing the "pinch out" as was proper, he merely took the inner tube, which contained "puncture-Stop," out and put it in a reserve casing and went on his speed way rejoicing. Mr. Sinclair says, "While Puncture-Stop guarantees to

seal punctures only, and not "blow outs or pinch outs," that if he gets any more demonstrations like the above he'll be able to seal a peace contract between the United States and Mexico. Puncture Stop makes a perfect seal.
