

NOTICE TO THE DELINQUENT PROPERTY OWNERS

Attention of delinquent property owners in improvement districts is called to the provisions of the city charter regarding the provisions for collecting delinquent improvement assessments. As it is absolutely necessary that these assessments be collected before September first, the council will be required to foreclose liens on delinquent property owners in accordance with the charter provisions which are as follows:

Section 59. Within five days from the expiration of the time limited for paying taxes to the treasury, the city treasurer must return the tax roll to the council, distinguishing thereon the

amount of taxes and those remaining unpaid.

Section 60. The council must thereafter order the recorder to deliver the tax roll to the chief of police and issue and annex thereto a warrant directed to the chief of police, commanding him to proceed forthwith to collect the delinquent taxes upon such roll and in the manner provided by law, and paying the same to the treasurer together with the cost of collection and return the warrant with his doings thereon, and the receipt of the treasurer to the recorder.

Section 61. The warrant for the purpose of collecting such delinquent

taxes and assessments shall be deemed an execution and shall have the force and effect thereof against any person, firm or corporation against whom such taxes or assessments are levied and charged on the tax roll, and shall be executed and returned in like manner.

By Order of City Council.
