HAVE DARK HAIR AND LOOK YOUNG

Don't Stay Gray! Nobody can tell When You aDrken Gray, Faded Hair With Sage Tea and Sulphur.

Grandmother kept her hair beautifully darkened, glossy and abundant with a brew of Sage Tea and Sulphur. Whenever her hair fell out or took on that dull, faded or streaked appearance, this simple mixture was applied with wonderful effect. By asking at any drug store for "Wythe's Sage and Sulphur Hair Remedy," you will get a large bottle of this old-time recipe, ready to use, for about 50 cents. This simple mixture can be depended upon to restore natural color and beauty to the hair and is splendid for dandruff, dry, itchy scalp and falling hair.

A well known down-town druggist says everybody uses Wythe's Sage and Sulphur, because it darkens so naturally and evenly that nobody can tell it has been applied—it's so easy to use, too. You simply dampen a sponge or soft brush and draw it through your hair, taking one strand at a time. By morning the gray hair disappears; after another application or two, it is restored to its natural color and looks glossy, soft and abundant. Sold by Newlin Drug Co.

WHY?

Do Some People Always Get Ahead?
FOUR REASONS
That Seem to Answer Most Cases.

REASON ONE---

Their word is always good. Their note is always paid. Their friends always speak a good word for them.

REASON TWO---

They use good judgment and observe things as they really are

REASON THREE---

These people live in La Grande; buy their goods in La Grande. They work in La Grande and invest their savings in La Grande.

REASON FOUR---

Their investments in La Grande are always under their own control and in consequence their returns are always satisfactory. They are not misled by the far away illusions, knowing that La Grande offers greater opportunities for investment than any place in the Northwest.
