BUILDERS BUSY AT ENTERPRISE

NEW BUILDINGS AND REPAIRS MANY.

Farmers Fear Rains Will Spoil Much Grain.

Enterprise, Sept. 10.—(Special)—Byron Herman will soon erect a new house and barn on his place west of town. This is on the new road that leads by Cris Eads.

The new library building was begun today with a good crew of men and quite a large showing was made on the basement.

Work is progressing rapidly on the new grandstand on the fair grounds. The exhibition building is also being repaired.

Rev. Astwood has taken up a homestead and is moving. He will soon be prepared to move his family to the homestead.

Mrs. Robinson, who has been sick for the last three months, is able to walk a little.

The farmers regret to see the rains as there is so much grain out that is not stacked. Although there has not been enough rain to damage anything yet.

Everet Stubblefield will move his family to Flora this winter so as to be near the school. Mrs. Stubblefield is a sister of Miss Lora Koch, the primary teacher in the Flora school.

Mrs. McColey will return from the east, where she has been visiting for the past six weeks, in about two weeks.

A. H. Rudd of Joseph, has been attending to official business at the court house the last few days. He has been very busy this summer surveying being gone two and three weeks at a time at different places in the county.

Nettie Brock has returned from the Divide, where she taught a term of school this summer. She will not teach this winter as her health will not permit it.

Miss Lela Ogborn will stay with her sister, Mrs. Floyd Hammock of Lostine this winter and attend the Lostine school.

Mrs. Gommeryman is slowly improving.

Chester Riley is preparing to return to the O. A. C. this winter.

There will be a reception given by the W. C. T. U. ladies on Mrs. Keltner's lawn Thursday afternoon in honor of the school teachers. All parents are especially invited.

WEEK BY WEEK.

Each Week Appear the Statements of La Grande Residents.

Last week it was a La Grande citizen who spoke. The week before, it was a La Grande citizen who spoke. The week before, and for many weeks before it was a La Grande citizen who spoke. And again this week it is a La Grande woman. You are not asked to act upon the word of a stranger. The best guidance that is humanly possible to give you—the encouraging word of neighbors, is always given.

Mrs. Thomas Budge, 1912 Third St., La Grande, Ore., says: "One of our family complained a great deal of backache, caused by the constant jarring he got at his work. Sometimes he had to lay off for several days. Doan's Kidney Pills have helped him greatly. We think there is nothing like them, and wouldn't be without a supply in the house. I advise all kidney sufferers to try Doan's Kidney Pills. You may continue to publish the testimonial I gave after they were first used in our family."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo New York, sole agents for the United States.

Remember the name—Doan's—and take no other

Maiden Insurance.

The Maiden Insurance company is a singular Denmark institution. It is confined to the nobility, and the nobleman, as soon as a female child is born to him, enrolls her name on the company's books and pays in a certain sum and thereafter a fixed annual amount to the treasury. When the young girl has reached the age of twenty-one she is entitled to a fixed income and to an elegant suit of apartments, and this income and this residence, both almost princely, are hers until she either marries or dies. The society has existed for generations. It has always prospered. Thanks to it, poverty stricken old maids are unknown among the Denmark nobility, but every maiden lady is rich and happy.

Nicely Arranged.

It is related that the negroes were once greatly excited in Johannesburg over a rumor of a Kaffir uprising. One white woman said to her black boy: "You wouldn't kill your mistress, would you?"

"Oh, no," the boy replied; "boy next door kill you, and I kill his mistress."

The affair, it seemed, had all been arranged, and very delicately at that. This boy's name was "Machinery." The blacks take any name they hear used among the whites, and "Machinery" is a very common name in Johannesburg.—E. W. Howe's Monthly.

Sound Advice.

"These shoes you sold me last week squeak so that they actually keep me awake nights," said the customer, entering the shoe store.

"My dear sir," replied the shoe dealer reassuringly, "you shouldn't sleep in them."—Yonkers Statesman.

Human Nature.

Tell a man that there are 270,169,325, 481 stars and he will believe you. But if a sign says Fresh Paint, he has to make a personal investigation.—Cincinnati Enquirer.

Oh, how hard it is to die and not be able to leave the world any better for one's little life in it!—Abraham Lincoln.

Pruritis a Severe Form of Eczema

A Method of Home Treatment that is Very Effective.

There is probably no other remedy so well known as S. S. S. for the blood. And for this reason it is the one remedy invariably called for in treating pruritis and other skin diseases. But there are many people who do not insist upon having S. S. S. and are easily persuaded to try something else "just as good," so they are told. If your blood is thin; if your skin is irritated with eczema, lupus, tetter, psoriasis, or any other blood humor; if you are troubled with pimples or boils, do not permit yourself to be talked into buying something else, but insist upon S. S. S. It is really a remarkable remedy. It contains one ingredient, the active purpose of which is to stimulate the tissues to the healthy selection of its own essential nutriment. And the medical elements of this matchless blood purifier are just as essential to well-balanced health as the nutritious elements of the meats, grains, fats and sugars of our daily food. These facts are brought out in a highly interesting book on skin diseases, compiled by the medical department of the Swift Specific Co., 154 Swift Bldg., Atlanta, Ga. It is mailed free, together with a special letter of advice, to all who are struggling with a blood disease.
