HARRY GRADY BULLDOGS HOG

BRANCH LINE CONDUCTOR HAS SOMETHING NEW.

In Baggage Car Veteran Conductor Wrestles With 300-Pound Hog.

Wallowa, Sept. 13.—The Sun says: Bulldogging a steer has become an art, or a science, or whatever it is, known everywhere and practiced by men and women all over the country. No one ever heard of anybody trying to bulldog a horse, or a mule or a sheep, but it has been reported by very good authority that an attempt has been made to bulldog a hog, one of the three hundred pound variety, and that the attempt was quite successful. The person attempting this hazardous feat was no other than Harry Grady, the popular passenger conductor on the branch line. Whether or not the venerable Mr. Grady was practicing for the Round-Up is not known, he having not confided any such intentions to his friends, but the circumstances in the case point very much that way.

One morning this week just after the incoming passenger train pulled out of Palmer Junction, the popular conductor went into the baggage car where there was a hog weighing close to three hundred pounds, contained in a crate. Just how Mr. Hog obtained his freedom is not known, but it is certain that he came charging down the car, and everybody in the car took the shortest cut to the roof. That is, everybody except the conductor. He took a flying leap for Mr. Hog and when he got through with him, the porker was glad to retire to his modest crate.

Friends of Mr. Grady have been congratulating him all week over the success of his difficult undertaking. Just whether he will enter in the Round-Up could not be learned, but should he do so, his friends predict he will carry away some prize money.

Cattle Owners Organize.

(Enterprise Record-Chief-tain.) At a meeting of the Cattle and Horse Raisers' association of Wallowa county, held in the court house at Enterprise this week, a number of new members were added. The list included C. E. Young, W. P. Warnock, R. H. Williams and C. F. Graves. Two local stockmen were already members, Henry Haas and Luke Loyd. Several

other ranchers attended, and probably will join later.

Runaway Accident Serious.

Mr. and Mrs. J. C. Graves of Joseph, were victims of a bad runaway just south of Enterprise Sunday afternoon. They were riding in a single buggy when the horse took fright at something at the side of the road. Both occupants were thrown out and Mrs. Graves' left arm was broken, just above the wrist. It was the second time this arm had been fractured. The horse made a total wreck of the buggy before it quit struggling. Mrs. Graves' injuries were painful, but she is getting along nicely.—Enterprise Record-Chief-tain.

WHY?
Do Some People Always Get Ahead?
FOUR REASON
That Seem to Answer Most Cases.

REASON ONE---
Their word is always good. Their note is always paid. Their friends always speak a good word for them.

REASON TWO---
They use good judgment and observe things as they really are

REASON THREE---
These people live in La Grande; buy their goods in La Grande. They work in La Grande and invest their savings in La Grande.

REASON FOUR---
Their investments in La Grande are always under their own control and in consequence their returns are always satisfactory. They are not misled by the far away illusions, knowing that La Grande offers greater opportunities for investment than any place in the Northwest.
