WHY?

Do Some People Always Get Ahead?
FOUR REASON
That Seem to Answer Most Cases.

REASON ONE--

Their word is always good. Their note is always paid. Their friends always speak a good word for them.

REASON TWO--

They use good judgment and observe things as they really are

REASON THREE--

These people live in La Grande; buy their goods in La Grande. They work in La Grande and invest their savings in La Grande.

REASON FOUR--

Their investments in La Grande are always under their own control and in consequence their returns are always satisfactory. They are not misled by the far away illusions, knowing that La Grande offers greater opportunities for investment than any place in the Northwest.
