RUBY CAR IN WRECK.

Erroneous Name Given to Automobile Accident Yesterday.

Mrs. Ruby of this city, instead of Mrs. Jack Childs, was the one whose automobile collided with the Walters car of Spokane, yesterday afternoon. Mrs. Childs is congratulating herself that she was not in the accident although her friends have been also congratulating her, having read of the accident in the Observer last evening. Mrs. Walters' daughter was driving the Spokane car at the time. The demolished cars are being repaired today and the ladies are mutually pleased that none were hurt. It appears the accident was one of the freak kind that no one was directly responsible for.
