### ADDED TEACHERS NEEDED TO HANDLE WORK.

Shifting of Students Necessary—New School Overflowing.

Still growing—still adding to the teaching force—is the announcement for La Grande school forces this week. Two new teachers had to be added last week to the teaching force of the grades. Miss Minnie Hollman was moved from the graded school on the north side to the high school where she will take up work in science, mathematics and English. Miss Holman is a graduate of Oregon, a Union county girl and will fill her position ably.

The new teachers to arrive this week are Cora M. Harned who will teach the 7th grade of Riveria school and Bernice Oliver, who teaches the 4th grade in the Central school. On account of crowded conditions in the new Riveria where such a heavy enrollment of beginners was recorded, it was found necessary to transfer a number of the primary pupils to the Central building.

The total enrollment as taken Friday was 1244 pupils. The Central building claims 432, the Riveria building 290, the Fourth Ward building 292 and the High School 230.
