Avoid the Bronchial Coughs of Early Fall.

The changeable weather of early fall brings on bronchitis and a hard cough that is wearing on the system. and seems to tear open the bronchial tubes and mucus lining of the throat. Use Foley's Honey and Tar Compound promptly. For it will soothe and heal the inflamed mucus lining, relieve the cough quickly, and help to expel the cold. It contains no opiates. Get the genuine in the yellow package and refuse substitutes. A. T. Hill.

Meritol Rheumatism Powders.

The unusually large sale of this remedy is the best evidence we could

offer you to prove its merits. It is made of effective ingredients, and is guaranteed to give permanent relief for rheumatism. We will gladly show you the formula and explain its merits to you. Newlin Drug Co., local agents. The government figures of beasts killed for food omit statistics of dogs, which will no doubt cause a growl from a growing industry. Ed Stringham, Auctioneer.

Many wish now they had registered so they could vote for the commission charter. But cheer up, there is little doubt but what your vote can be sworn in on election day.
