## HARD FROST VISITS MINAM

HARVEST IS WELL ALONG WITH-  
OUT LOSS OF CROPS.

Reported That the Fish Hatchery Will Close After This Month.

Minam, Ore., Sept. 26.—(Special)—The few cold, frosty nights we have had the last week is a mild reminder that winter will soon be with us, although thus far we have had an ideal fall and the farmers and ranchers are rejoicing at getting their threshing and haying done with but very little loss or damage.

The fall grain is looking fine and the potato crop in this locality promises to be excellent.

Scott Brothers will finish hauling their lumber to Minam this week, from their mill on Smith mountain. They are piling considerable lumber at Minam on account of the scarcity of cars to ship it.

Dan Bectell, who was employed hauling lumber for the Scott Brothers, was taken seriously ill Monday at the home of David Scott on Smith mountain, and he was removed Tuesday to his home in Cricket Flat, where his people live.

Mrs. Frank Gregory and children visited Thursday of last week with Mrs. David Scott.

Mrs. Lillian Williams and children are visiting this week with her parents, Mr. and Mrs. Abe Boswell, of Minam.

Jerome Jones returned home last week from upper Wallowa valley, where he had employment at a saw mill.

Mrs. Alma Huffman spent Tuesday at the home of Mrs. Jno Riggie.

Mr. and Mrs. Scotty Wilson returned home last week from a trip to Freewater, Ore. Mr. Wilson brought back a load of fruit and melons.

B. Allen, Mrs. Frank Gregory and children, and Mrs. Alma Huffman spent Sunday visiting at the home of Mr. and Mrs. Jno. Fisher.

It is reported that the Wallowa fish hatchery will be closed after this month, on account of the shortage in the fall run of salmon in the Wallowa river.

William Conley moved back to his home at Minam last week from Cove, where he spent several weeks through fruit picking time.

Mr. and Mrs. Will Ketchum of Grossman visited Sunday with Mr. and Mrs. Jno Riggie on Smith's mountain.

Jno Fisher is busy hauling lumber this week from Scott Brothers' saw mill. Fisher expects to build a new dwelling house on his ranch on Smith's mountain this fall, and also have other numerous improvements made.

Wallowa, Ore., Sept. 26.—(Special)

The second annual high school fair to be held October 10th and 11th, in the Wallowa high school building, is looked forward to with much anticipation by the students. The fair last year was a success in every way, and it is hoped that still more interest will be taken in this year's fair. Many new features will be added, and the whole high school building used for exhibits, side shows, etc. There will be a general exhibit in fruits, vegetables, cooking, sewing and curios. The manual training department and domestic science class will do exhibition work on both days. The feature of the fair will be the "Better Babies" show, of which the Ladies Progressive club will have charge, and diplomas and ribbons will be awarded to the prize winners.

Tents and pens will be provided on the campus for the stock exhibit. A competent stock man will be selected to judge the stock.

Measures Man Is Named.

Wallowa, Ore., Sept. 26.—J. H. Maxwell has recently been appointed county inspector of weights and measures, and will take up his new duties as soon as the apparatus used in the testing process arrives, which will be in the course of a few days.

Rev. L. E. Moore, a former pastor of the Presbyterian church here, accompanied by his wife, arrived Tuesday and will visit a few weeks with old friends.

## BE PRETTY—TURN GRAY HAIR DARK

Look Young! Nobody Can Tell If You Use Grandmother's Simple Recipe of Sage Tea and Sulphur.

Almost everyone knows that Sage Tea and Sulphur, properly compounded, brings back the natural color and lustre to the hair when faded, streaked or gray; also ends dandruff, itching scalp and stops falling hair. Years ago the only way to get this mixture was to make it at home, which is messy and troublesome. Nowadays, by asking at any drug store for "Wyeth's Sage and Sulphur Hair Remedy," you will get a large bottle of this famous old recipe for about 50 cents.

Don't stay gray! Try it! No one can possibly tell that you darkened your hair, as it does it so naturally and evenly. You dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by omring the gray hair disappears, and after another application or two, your hair becomes beautifully dark, thick and glossy.

"I am the mother of eighteen children and have the praise of doing more work than any young woman in my town," writes Mrs. C. J. Martin, Boone Mill, Va. I have taken three bottles of Chamberlain's Tablets and am now a well woman and weigh 168 pounds. I can eat anything I want to and as much as I want and feel better than I have at any time in ten years. I refer to anyone in Boone Mill or vicinity and they will vouch for what I say." Chamberlain's Tablets are for sale by all dealers.

### Strengthen Weak Kidneys.

Don't suffer longer with weak kidneys. You can get prompt relief by taking Electric Bitters, that wonderful remedy praised by women everywhere. Start with a bottle today, you will soon feel like a new woman with ambition to work, without fear. Francisco, writes: "Gratitude for me of pain. Mr. John Dowling of San Francisco writes: 'I suffered for three weeks with a terrible headache, which was relieved by the use of your medicine. I feel like a new woman now.'"
