

CLASSES UNITE IN BUSINESS

ALL CLASSES HAVE PERFECTED ORGANIZATIONS.

Latin Society touches Social and Academic Points During Year.

By Ralph Winters.
During the past week all classes, except the freshmen, were reorganized and where there were vacancies, new officers were elected. The Freshmen elected their first officers to serve the coming four years.

In the Senior Class, Lyle Kiddle was elected president, to fill the vacancy caused by the absence of Ethel Wright. Marie Bolton, vice president; Grace Pickens, secretary and treasurer.

In the Junior Class: Blanche Black, president; Gilbert Hunter, vice-president; Leona Hughey, secretary; Leona Newlin, treasurer and Merton Westering, yell leader.

In the Sophomore Class: Stella Bodmer, president; Violet Rush, vice-president; Lester Stoddard, secretary; and Helen Britts, treasurer.

In the Freshmen Class: Lynn Wright, president; Bessie Allinson, vice president; Nellie Kennedy, secretary and Joe Reynolds, treasurer.

The Latin club, under Miss McMullan, was organized with Dorothy Hayworth, president; Frederic Schilke, vice president and Marguerite Winters, secretary and treasurer. This club has been a great success ever since it has been in the high school. It was organized with a two-fold purpose, to have a social time and to study more fully the details of Latin and to become familiar with the vocabulary. The club is composed of the members of the first year Latin class and meets once a month.

The Senior class in English literature has started the study of the tragedy "Hamlet" by Shakespeare.

The football season has started in real earnestness, 22 being ought for the first night's practice and more coming every night. The only trouble which has been run up against is the lack of equipment. It is asked of all those who are indebted to the L. H. S. for football suits to please return or the price of one; either would be received thankfully.

The Music class has been started, Miss Buchanan being teacher, there were about 20 out to the first meeting.

The Domestic Science classes are progressing rapidly in knowledge and skill, we know, by the odors wafted up from the basement about half past eleven every day.

Chicago dancing masters have, by resolution, officially killed the waltz and put the Tango in its place. But a man may dance the dignified waltz in Chicago without being arrested.

Deafness Cannot Be Cured
In local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.
We will give one hundred Dollars for any case of Deafness cured by our method, provided the patient has not been cured by other means.

GLOOM LIFTS IN FOOTBALL

FIRST WEEK FINDS MANY AFTER JOBS.

Better Material Than Was Expected Shows Up This Week.

Pre-practice gloom that embraced the football life of the high school has been lifted to a great degree, for during the present week, Coach "Chuck" Reynolds has faced a squad of fully two-team strength each night, and while some of those already out in suits will grow weary and quit, there are others who are due to matriculate at once, and these, thank our lucky stars, are men of value to the team.
The first week has been made use of just as it should be—limbering up processes and wind developers. If football did nothing more than that which is done the first 10 days of training it would be worth the effort—but the first days are only the beginning of development. From the preliminary period football becomes a brain developer too, and Coach Reynolds is using the most up to date methods of training at this stage. His connections with "Big League Football" at the beach this fall when he officiated as assistant to Doc Stewart of O. A. C. will stand him well in hand, and no Eastern Oregon coach will "have anything on him" in down-to-the-minute football science.
The squad statistics to date indicating weight, age, position and experience, in the order named, follow:
Ray Couch, 169, 19, backfield, 2 yrs half in Islan; H. S.; 1 year end L. H. S.
Raymond Garrity, 135, 16, end, 2nd team.
Gilbert Hunter, 140, 18, half, Island H. S., half; L. H. S.
Jess Andrews, 142½, 17, guard, 1 year L. H. S.
Glen Conkey, 147, 17, backfield, 2 year L. H. S.
Arthur Huff, 137, 18 halfback, 2 years L. H. S.
Ralph Winters, 148, 18, center, 1 year Union H. S., 1 year L. H. S.
Lyle Kiddle, 143, 17, end, 1 year sub L. H. S., 2 years Island H. S.
Homer Leffel, 135, 18, end, 1 year L. H. S.
Leon Adams, 135, 18, end, 1 year Wenatchee, sub.
Rex Greene, 122, 19, quarter.
Byron Lebert, 145, 17, line.
Ellis Williamson, 129, 16, tackle, second team.
Henry Proctor, 130, 17, end.
Myrton Westering, 165, 17, line.
Glen Thompson, 137, 16, line.
Earl Reynolds, 110, 16, end.
Percy Staford, 110, 15, end.
Clarence Hudson, 126, 16, line.

George H. Currey, Jr., local high school graduate and Willamette university student, has been given the post of football mentor at Pacific University at Forest Grove. He was employed by the board of management to fill vacancies due to the non-arrival of the regular coach, but the erstwhile La Grandeite is getting away with his squad in fine shape and there is some talk of letting the young editor go through with the collegiate coaching. For breaking into fast company mentorship, "Currey is there."

Gasoline Stove Leaks; Woman On Fire
(Enterprise Record-Chief-tain.)
Sheriff Marvin's quick wit probably saved the life of Mrs. Austin at the Farmers' hotel at Flora Wednesday morning, and also prevented a bad fire in the town. The sheriff with Attorney T. M. Dill and J. E. Atell, were in Flora on official business. Mrs. Austin was preparing to get breakfast for them.
She was using a gasoline stove. As she turned on the fuel too great a supply ran out, flooding the stove. There was a puff of flame and Mrs. Austin's clothes were set on fire. She screamed for help and Mr. Marvin, Mr. Dill and Mr. Axtell ran to her assistance. The sheriff looked around and quickly spied a quilt that had just been washed and was still wet. It was precisely the thing needed. Snatching it up he wrapped it about Mrs. Austin, at once extinguishing the fire, before the woman had been injured. Mr. Dill and Mr. Axtell busied themselves putting out the fire that had caught in the room.
The three men were called to Flora by complaints against the conduct of Bernard and Fred Botts. They were accused of abusive conduct toward others on the streets. Justice of the Peace J. D. Braughton was called over from Paradise and conducted the hearing. Each of the brothers was fined \$25 and costs.
