

We Again Announce to the Public Our Great Buying Power

and by giving the people the benefit of our buy is the one simple reason why THE HUB sells the most merchandise.

There have been good reasons in the past why the people have been patronizing catalogue houses. The effort that we have made to become a great buying power, successfully accomplished, so that at the present time we are in a field to ourselves. HOME COMPETITION NOT RECOGNIZED, and with ANOTHER CONSERVATIVE STATEMENT, OUR PRICES WILL STAND THE TEST WITH ANY CATALOGUE HOUSE IN AMERICA.
