NEWS OF DEATH REACHES THE
EVANS FAMILY.

Prune Picking in Full Swing—Runaway Proves Fortunate.

Cove, Ore., Oct. 2.—(Special)—As B. F. Bell was returning from a business trip to La Grande last Tuesday, his team became frightened and started to run. Mr. Bell, the only occupant, was thrown from the buggy but was not injured. The team ran for about three-quarters of a mile coming frightened in front of Mrs. Vine Payne's home. The team ran into a telephone pole as they turned the corner at the school house and broke up the buggy.

The Cove public school fair will be held Saturday. As there was last year, there will be a carnival side of the

fair again. It will be held in the old hotel dining room.

Prune picking commenced in the Cove the early part of this week. The crop is good and the quality is exceptionally good. There will probably be about 40 cars shipped from the Cove.

Mrs. Vine Payne who has been visiting her daughter, Mrs. A. O. Huntley, at Cuprum, Idaho, returned Saturday. She was attacked by a violent rheumatism and this shortened her visit considerably. Mrs. Huntley and daughter accompanied her home, returning to their home Tuesday.

Christine LaForte was called home from Walla Walla by the serious illness of her mother, Mrs. T. J. DeBorde.

Mrs. J. W. Ingram returned from a visit for several weeks in Pendleton.

Word was received here on Monday by Mr. and Mrs. Evan Evans of the death of their son, Albert. His death was caused by an accident on the railroad in Arizona, where he has been working. His body will be shipped to Cove where it will be interred. He was a young man of about 21 years and leaves a father and mother and two sisters, Josephine and Thelma.

Volma Burke, who left several weeks ago for Corvallis to attend school, returned last week on account

of illness.

Mrs. Noah Richards, who has been dangerously ill, is improving.

Mrs. Earl Spaulding of Hood River is visiting at the home of Mrs. Nip Conley.

Mr. and Mrs. George Holmes and son, Charles, left Thursday morning for a short visit in Enterprise.

Howard and Willis Van Gordon, of La Grande, were in Cove Saturday and Sunday visiting friends and relatives.

There was a party last Saturday night at the home of I. E. Houx. There were 21 present.

Instantly Clears Air Passages; You Breathe Freely, Nasty Discharge Stops, Head Colds and Dull Headache Vanish.

Get a small bottle anyway, just to try it—Apply a little in the nostrils and instantly your clogged nose and stopped-up air passages of the head will open; you will breathe freely; dullness and headache disappear. By morning! the catarrh, cold in head or catarrhal sore throat will be gone.

End such misery now! Get the small bottle of "Ely's Cream Balm" at any drug store. This sweet, fragrant balm dissolves by the heat of the nostrils; penetrates and heals the inflamed, swollen membrane which lines the nose, head and throat; clears the air passages; stops nasty discharges and a feeling of cleansing, soothing relief comes immediately.

Don't lay awake to-night struggling for breath, with head stuffed; nostrils closed, hawking and blowing. Catarrh or a cold, with its running nose, foul mucous dripping into the throat, and raw dryness is distressing but truly needless.

Put your faith—just once—in "Ely's Cream Balm" and your cold or catarrh will surely disappear.

Aeroplanes On Display.

Paris, Oct. 3.—The fifth international exhibition of aeroplanes and kindred machines will be held here at the Grande Palais in December according to an announcement made today. Applications for space thus far in advance show that the event will be the biggest exhibition ever held.
