## STUDENTS OF SCHOOL DRILL

ORDERLY DISMISSAL IN FIRE DRILLS IS AIM.  
News Briefs of Happenings in High School During Week.

By RALPH HWINTERS.

The first fire drill in the schools occurred Thursday morning. There was no record time made because, it being the first one occurring in the high school for some time, there was a little confusion. After two or three more drills it is expected to empty the big building in thirty seconds. The alarm is sounded by the principal, Prof. Olson, he being the only one knowing about it. In case of fire there will be no difference between going out then and a regular drill. There is a state law stating that there must be at least one fire drill each month, and the La Grande high school expects to comply with it.

The Freshmen, their class meeting Monday, selected their colors: Red and White and their motto: "Semper Paratus," and elected Jack Kerr for the position of yell leader. The "Rocks" are a live bunch this year, expecting to take part in all athletic sports. They already have gathered up a squad for a football team.

The second meeting of the girls' athletic association was called Thursday by Bessy Stoddard, president. After the minutes were read, by Mildred Bush, secretary, ten new girls were voted in as members, besides five teachers, namely, Misses Holmes, Hershey, Hunter, Buchanan and Riddle, all as honorary members. This organization was formed last year of girls who are especially interested in athletics and for the purpose of promoting good fellowship among the girls of the high school.

Last Saturday the boys of the high school arrived with sacks and torches cleaned up the old football practice field, burning off the weeds and removing rocks and all the rubbish accumulated there since last year, making it ready for some good hard practice. Afterwards several loads of sawdust were dumped and scattered over one part of the field. This eliminates all the bruising and skinning process that goes with learning how to tackle, block, fall on the ball, and recover it.

### IT'S A MISTAKE.

Made by Many La Grande Residents.

Many people in a misguided effort to get rid of kidney backache, rely on plasters, liniments and other makeshifts. The right treatment is kidney treatment and a remarkably recommended kidney medicine is Doan's Kidney Pills. La Grande is no exception.

### WILL YOU HELP PISGAH HOME?

Charitable Institution in Portland Needs Assistance.

The following letter from the Pisgah Mothers of Portland, who are engaged in the work of uplift and caring for those in the world who have been unfortunate, speaks for itself. Editor Observer—We are rapidly approaching another winter and we dread least we be caught unprepared. Last year 8084 occupied beds at the Pisgah Home and a total of 24,252 meals were served at a cost of less than five cents a meal.

This coming winter, owing to the stringency in business circles and the large number of unemployed, will be particularly severe and will call forth all our resources. It is for this reason that we wish to have our supplies in advance of the demand, so that October 1st we will have a sufficient quantity of comforters, sheets, pillows, cases and clothing. Your canvassing season is probably now in full swing. Why not put up a few extra jars for Pisgah Home?

Our work is growing splendidly and God is wonderfully blessing us. The way is continually opening and it seems that He is leading us out in a large way. It is growing in favor in the city. More and more people see the need of it and the good it is doing, and we feel greatly encouraged. But it requires money, clothing and food supplies to carry it on. Do not each one of you want a part in this work? And God will bless you for filling up these waste places. "Blessed is he that considereth the poor, for the Lord will help him in the time of trouble." (Isaiah 58:12.)

The proof is at your very door. The following is an experience typical of the work of Doan's Kidney Pills in La Grande.

Mrs. Laura McClure, 1313 Madison Ave., La Grande, Ore., says: "Exhaustion and cold often brought on an attack of backache. When I had these spells, my back and the man we spells, my kidneys didn't do their work well, and I was annoyed by dizzy and blinding spells. I got restless and couldn't sleep well. When I got up in the morning, I felt all tired out. Doan's Kidney Pills gave me great relief. Since I learned of their merit, I have kept a supply in the house all the time, but the benefit they give me has been permanent. I have never had a sign of kidney trouble for sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other."
