TWENTY-FOUR JUNGLE CATS IN ONE ACT OF BARNES SHOW

Miss Dollie Chasteen and group of trained man eating lions and leopards with the Barnes Circus here Saturday.

A feature attraction on the program of the Al. G. Barnes big 3-ring wild animal circus is a lion act, twenty-four of the largest full grown, jungle bred African cats, are assembled in the act.

The group represents the very acme of lion perfection as to size, value and training. The herd, if placed on the market, would easily bring \$50,000, as it is not unusual for a male lion to sell for \$2,500. The lions are all turned loose in the big steel arena in the centre of the tent at one time, one lone man in their midst.

Herr Louis Roth is the man—a trainer and tamer of lions of inter-

national fame. The things he makes these lions do and the masterly control he seems to exercise over the man eaters, is certainly remarkable, crowding his way among them, armed only with a small revolver and a whip, he mounts them into great pyramids, feeds one of the fiercest, raw meat from his naked lips, arranges the lot in a great pile on the floor and lays on the topmost of them. The daring of the chap seems fairly "devilish" and the audience sits tensed and shivery. The act ends with the lions doing a free-for-all race around the arena.

Blaze Wednesday Night.

A small fire that but for the prompt action of D. A. Barnes and Ivor Simonson might have ended seriously, took place in the Elgin bakery last night. The wall paper caught from the oil stove used at the lunch counter, and the wall and ceiling at the back of the room were soon a mass of flames. An alarm was turned in and the fire department responded very promptly, but Barnes and Simonson had the fire under control, having brought a small hose that was at hand into action. The loss was slight and was covered by insurance.—Elgin Recorder.

Excursion to La Grande.

Union, Oct. 6.—Arrangements have been made for an excursion to La Grande next Friday. Reduced rates are expected with half rates for children of 11 years and under. An effort is being made to close up the town and go to La Grande on that day, and no doubt there will be an immense crowd for the fair. More definite announcement will be made by bills early in the week. Friday, October 10, will be Union county day and doubtless the big day of the affair. Union has engaged plenty of stall room for stock, our drivers will be there, the band will go along and it will be Union day. Let everybody go.
