Budweiser

175,000,000 Bottles Yearly

That was the demand for Budweiser last year. The Anheuser-Busch Plant covers today more than 142 acres—equal to 70 city blocks. It gives steady employment to 6,000 people, and to 1,500 more in its branches.

Every process, every room, is immaculate. Every bottle is Pasteurized and inspected. This Quality-Plant, started nearly 50 years ago, is a model of modern facilities. The hundreds of visitors who go through every day know that nothing of its kind could be made any better than Budweiser.

Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces. We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free. F. J. CHENEY, & CO., Toledo, Ohio. Sold by Druggists. Take Hall's Family Pills for constipation.

ORANGES OFF MARKET NOW

LOCAL DEALERS EXPECT SHIPMENT IN NOVEMBER.

Sweet Potatoes Cheaper and Summer Foods Disappear.

From now on until November some time oranges will be distinctly out of the season. There are none to sell and devotees of oranges must harness their palates' desires for several weeks.

Cantaloupes have now disappeared entirely and tomatoes have generally gone the same route. There are no more in Eagle valley and local productions are of course minor in quality always, and is now exhausted entirely.

One item of market quotations today is a depression in the price of sweet potatoes, that commodity going at 6 pounds for 25 cents.

D. D. D. Opens New Era in Cure of Skin Disease

Professor Budlong's case of eczema was known to almost every hospital and physician of reputation throughout the state of Connecticut. His letter is another interesting demonstration of what is being accomplished by the famous specific D. D. D. Prescription. "It may be of interest to you to know that your life-giving preparation, D. D. D. Prescription has been of incalculable value to me. I was covered with eczema from head to foot when I began using your remedies. I could get no relief, although I tried a thousand means. I applied but two bottles of the Prescription; a cure was effected in a very short time, in less than one month."—Prof. C. J. Budlong, South Lyme, Conn. Ask any druggist today for D. D. D. Prescription. He'll tell you it allays the itch instantly—and soon there are signs of cure. We have handled the remedy for years and regard it as the specific for skin troubles of all kinds.
