More and Better Food For Less Money

That's the necessity today confronting the nation. Oregon Oats solve the problem.

In Minneapolis, the largest flour market in the world, the standard weight for a bushel of wheat is 60 pounds. One cent per pound is deducted from the market price of each bushel that weighs less than 60 pounds.

32 pounds is the standard for a bushel of oats. Oregon Oats, the kind from which

GOLDEN ROD OATS

are made, weigh from 36 to 40 pounds, guaranteeing to you *more meat* at minimum cost than any other food product.

You'll find them easily and quickly prepared, too. At your grocers.

The Family Cough Medicine.
In every home there should be a bottle of Dr. King's New Discovery, ready for immediate use when any member of the family contracts a cold or cough. Prompt use will stop the spread of sickness. S. A. Stid, of Mason, Mich., writes: "My whole family depends upon Dr. King's New Discovery as the best cough and cold medicine in the world. Two 50c bot-

les should certainly be sufficient to give hope and courage to persons afflicted with chronic dyspepsia: "I have been a chronic dyspeptic for years, and of all the medicine I have taken, Chamberlain's Tablets have done me more good than anything else," says W. G. Mattison, No. 7 Sherman St., Hornellsville, N. Y. Sold by all dealers.

CIRCUS HERE! ON SATURDAY

Tomorrow will be circus day in La Grande. Two big rounds of genuine fun and entertainment will be offered the public by the A. G. Barnes big 3-ring wild animal circus.

The Barnes show takes rank as "the show that's different" and really it is different from any other circus, decidedly different, and bears the distinction of being the only all-animal actor circus in the world.

Instead of human acrobats, riders, jugglers, tumblers, etc., being used in giving the entertainment, trained animals of almost every description and species are introduced. Lions, tigers, leopards, elephants, monkeys, seals, sea lions, dogs, goats, horses, midget ponies and a multitude of other animals, all educated to do some stunt, are cast to appear on the A. G. Barnes show program.

One can not imagine more thrilling spectacles than the big wild animal acts presented by the men and women trainers of the show. They make one daring.

A profusion of acts that are instructive and of a quiet, dignified character are also shown. A full company of military horses and ponies prance into the rings and do an inspiring mass of drills and marches. Then there's the dogs, the comedy elephants, bears and mules. They provide some of the spots on the program where one can relax after seeing a "shivery" act and have a good, hearty laugh. This other big laughs are provoked by the dozen clowns.

There are over 350 animal actors with the Barnes circus. It's the largest trained menagerie in the world. A glittering street parade leaves the show grounds for the down town districts at 10:30.

Even Dollarway had to hunt shelter during the recent rains and thus Spring street paving will not progress nearly so rapidly as if dry weather had obtained.
