OFFICER STOPS CUTTING SCRAPE

TWO MEXICANS LOOK FOR TROU-
BLE AND FIND PLENTY.

Funeral of John Rich Held by Odd
Fellows' Lodge on Sunday.

Union, Or., Oct. 18.—(Special)—
What might have resulted in a serious
cutting scrape was avoided early this
week by Marshal Casper's prompt in-
terference. Two Mexicans, who were
out looking for trouble walked into a
saloon and began talking to a man who
was standing at the bar. The fellow
had some trouble in understanding the
Mexicans and they became angered
and started after him with drawn
knives. The marshal was quickly on
the scene and arrested the Mexicans
and later after a hearing ran them out
of town.

The suicide, John Rich, who died on
Saturday, was buried by the Odd
Fellows' lodge on Sunday afternoon,
of which lodge deceased had been a
member for some years. Services were
held at Cook Brothers undertaking
parlors by Rev. Martin after which the
remains were laid to rest in the Un-
ion cemetery. A large crowd attend-
ed the services. Mr. Ritch sustained
a severe sunstroke some years ago
which probably accounts for his erratic
actions.

Mrs. Ambrosia a daughter of Mr.
and Mrs. James H. Hutchinson, who
had been visiting with her parents for
some weeks was summoned home to
New York by a telegram announcing
the severe illness of her husband. She
left for that place on Sunday evening
accompanied by her sister, Miss Lou-
gen Hutchinson. Mr. and Mrs. Hutch-
inson received a telegram from them
stating their safe arrival home but
containing the sad intelligence that
Mr. Ambrosia had died before they
reached New York. Mrs. Ambrosia is
well known here having lived here
some years before her removal to
New York. She has the deepest sym-
pathy of her friends in her sad be-
reavement.

Will Parker has bought out the Ford
garage and has taken possession. Mr.
Ford is undecided as to what he will
do but may go back to his profession
of civil engineer.

Glen Taylor a nephew, of Dr. and
Mrs. Law stopped over to visit with
his aunt and uncle for two days this
week. He was on his way to Moscow,
Idaho, where he will attend the agri-
cultural college for the coming win-
ter. The young man's home is in Buhl
Idaho.

Miss Peery, the teacher of the first
grade in South Union school, who was
in the hospital, returned home last
week and was able to resume her du-
ties in the school room on Tuesday.

Union went to La Grande to attend
the county fair with bells on and
awoke the echoes with music and hi-
larious laughter. A cold, damp rain
did not bother one bit and Union turned
out two hundred strong to see the
sights. La Grande, not to be behind
put on some of the races for our spe-
cial benefit and we appreciated her
efforts to entertain us. We enjoyed
it all if it did rain all the time and
we are going next year 500 strong,
but La Grande must promise to have
the weather nice or Union may break
her promise. Prices have raised on
bells ever since.

Union is preparing for the foot ball
game tomorrow and does not expect to
come off second best we have a good
team and they are going to do their
best.

Wants Service Exchanged.

Salem, Ore., Oct. 16.—Alleging
that the defendant company is fail-
ing to give an exchange service, Hen-
ry Chapelle, who operates a telephone
line at Woodburn, has filed a com-
plaint against the United Telephone
Company. He asks that the com-
mission enter an order directing that
an exchange of service be made, and
a hearing on the subject will be held
soon.

Shorten Road Connection.

Roseburg, Ore., Oct. 16.—Planning
the shortening of the wagon road be-
tween Roseburg and Medford from
25 to 40 miles, Supervisor S. C. Bar-
rum is suggesting to the bureau at

Washington a route up the South
Umpqua and Elk Creek to the Trail
Creek divide. He asks that a survey
of the route be made. A large part
of the road would be in the National
Forest. Petitions from South Doug-
las county will probably be circulated
this winter.

The cut-off will be of greatest ad-
vantage of automobilists, as miles
of bad road will be cut off between
here and Grants Pass, and only one
divide will have to be crossed instead
of two, as at present.

Officers of Presbytery.

Albany, Ore., Oct. 16.—Dr. E. M.
Sharp, of Albany College, was elected
moderator of the Willamette Presby-
tery, which closed its session yester-
day in this city. Other officers who
were elected are: Rev. G. H. Mitch-
ell, of Dallas, temporary clerk; Rev.
F. C. Koehler, of Brownsville, per-
manent clerk; Rev. L. S. Mitchell, of
Albany, reporting clerk. The Pres-
bytery adopted resolutions in support
of the University of Oregon in its
fight for the appropriations held up
by the referendum.

Coffee

In a mild way mon-
eyback is a wager.
The price of any
package is pledged
against your test
that Schilling's
Best coffee will
suit you better than
any other. The gro-
cer holds the stake
and pays on your
decision.

In 1-lb, 2-lb and 2½-lb aro-
ma-tight cans, everfresh; clean-
ly granulated, 40c a lb.

Lime the Soil.

That lime may be used with benefit
on some soils has become a stern fact,
based on the experience of farmers
of many countries extending through
many centuries. Roman farmers
practiced marling more than 2000
years ago. The use of lime for agri-
cultural purposes was well known to
the English more than 250 years ago.
No doubt the Chinese were the first
to use lime on the soil.

Sowing Sweet Clover Seed.

Sweet clover seed weighs the same
as red clover or alfalfa when it is free
from hulls; that is, 60 pounds per
bushel. It is a hard matter to take
the hulls off in a common threshing
machine, and many sow hulls and all,
as it grows just as well that way.
When seedmen handle it the hulls
have to be taken off.

\$500 Lots for \$250

In order to close out a number of
lots by October 20th, I have decided to
offer your choice of improved lots in
Connordale for \$250. These lots are
choicely located and have sold on the
market for \$500. They are bargains
and now is the time to get them. Re-
member, this only lasts until October
20th. This addition is close in prop-
erty and finest addition ever put on the
market between Portland and Salt
Lake.

Company.

THE
Gossard
CORSETS

They lace in front—as a result the
abdomen is relieved of all pressure.
Support is given to the organs and
deep breathing is encouraged. They
emphasize the long graceful line of
the back, which artists agree is the
most beautiful line in art.

They gently but surely compel a cor-
rect standing position and a graceful
carriage. I invite you to investigate
these wonderful corsets.

A trial fitting will please you.
Prices \$3.50 to \$8.50.

A complete line always on hand of
the different models and styles.

Face Recall Fight.

Salem, Ore., Oct. 16.—Announcement
was made today by City Recorder El-
gin that, unless Councilmen Ideon,
Stolz and W. H. Hatch, against whom
recall petitions have been filed, re-
sign, he will direct that the people
vote on the question of their recall on
November 3, the date of the city pri-
maries. Signers of the petition ask
for the recall of the councilmen on
general ground that they have not
served the best interests of the city.
The recall proceedings are the out-
growth, it is stated, of a factional
fight in the council, and it is believed
that recall petitions may be filed
against other members of the council.

WE DO THE

Finest Shoe Repairing

At the Most Reasonable Prices.
Give us a chance at your old ones—
comfort in shoes has a direct bear-
ing on the person's disposition—no
shoes is as comfortable as an old one.
As long as we keep your old shoes

How About Your Home Water Supply?

IS IT PURE—PLENTIFUL—DEPENDABLE—ECONOMICAL?

Supply your home with all the pure, clear, sparkling water you need
—direct from well or spring, by the Perry System. No water tank
to collect slime, mud or rust. Compressed air delivers fresh water
under the pressure and in quantities you need. Automatic—
economical in operation, easily installed. Water left in well until
you need it—then drawn fresh.

Call and Get Copy of the Perry Book

or let us send it to you. We want you to know all about the merits of
this up-to-date system of water supply. The Perry System has more
advantages than any other—is just what you need. It will give you water
for drinking, kitchen, laundry, bath, barn, sprinkling and fire protection.
