Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free. F. J. CHENEY, & CO., Toledo, Ohio. Sold by Druggists, The. Take Hall's Family Pills for constipation.

THE Gossard CORSETS

They lace in front—as a result the abdomen is relieved of all pressure.

Support is given to the organs and deep breathing is encouraged. They emphasize the long graceful line of the back, which artists agree is the most beautiful line in art.

They gently but surely compel a correct standing position and a graceful carriage. I invite you to investigate these wonderful corsets.

A trial fitting will please you. Prices \$3.50 to \$8.50.

A complete line always on hand of the different models and styles.

Skin Sufferers—Read!

We want all skin sufferers who have suffered for many years the tortures of disease and who have sought medical aid in vain, to read this.

We, as old established druggists of this community, wish to recommend to you a product that has given many relief and may mean the end of your agony. The product is a mild, simple wash, not a patent medicine concocted of various worthless drugs, but a scientific compound made of well known antiseptic ingredients. It is made in the D.D.D. Laboratories of Chicago and is called the D.D.D. Prescription for Rosacea.

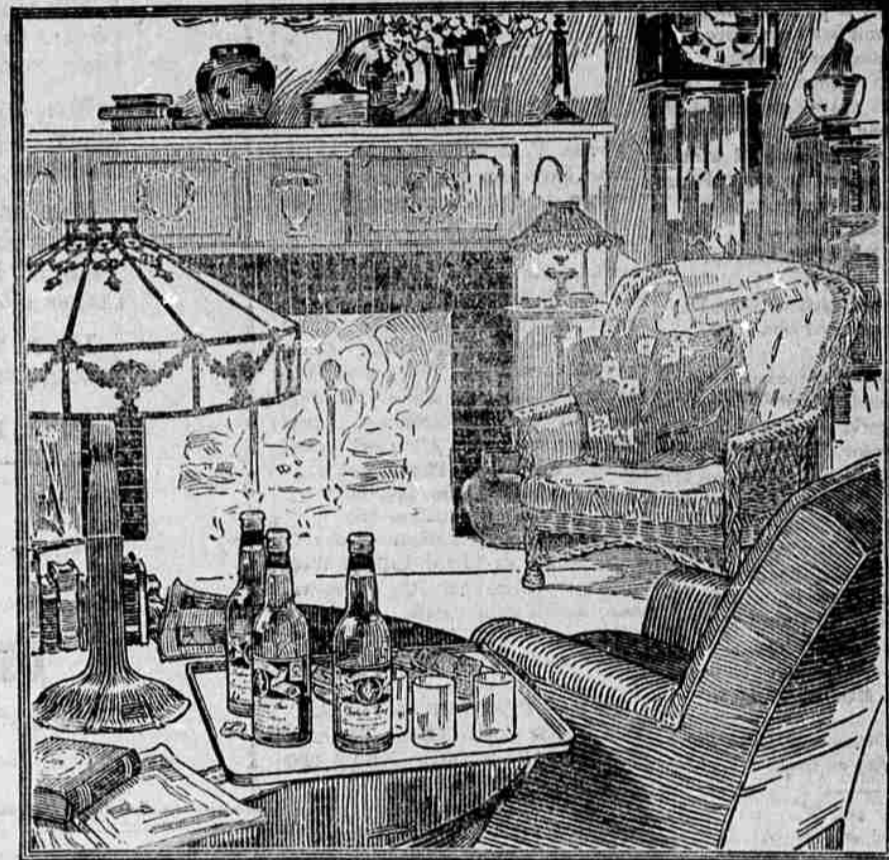

This is a doctor's special prescription—one that has effected many wonderful cures.

The effect of D. D. D. is to soothe instantly, as soon as applied; then it penetrates the pores, destroys and throws out all disease germs and leaves the skin clean and healthy.

We are so confident of the marvelous power of D. D. D. that we have taken advantage of the manufacturers guarantee, to offer you a full-size bottle on trial. You are to judge the merits of the remedy in your own particular case. If it doesn't help you, it costs you nothing.

D. D. D. Soap is made of the same healing ingredients. Ask us about it.
