# The name Warner stands for perfection

IN EITHER CORSET OR WAIST. AND APPROPRIATELY ENOUGH, "PERFECTION" is the name of the Warner waist in which boys and girls grow strong and rugged.

Every boy or girl who wears a Perfection Waist is on the high road to fine physical development. And there's no sacrifice of figure-lines for the girl who begins with a Perfection Waist and ends with a Warner Corset.

Have you ever counted the cost in disappointment of the gowns that failed to fit, all for want of a fashionable fitting corset beneath?

The Warner trade-mark on a corset ensures the right lines to fit over—and best of all, that those fashionable lines will last to the last day of wear.

Right styles for every type of figure—from maid to matron.

One artist receives ten dollars for a picture; another ten thousand. Why? It's the reputation behind the name that fixes its value—and exactly so with a trade-mark.

The name Warner's Rust Proof on a corset is your best assurance of quality—the quality that means long wear, a fashionable figure, and a perfect-fitting gown.

Look for the name—Warner's Rust-Proof. Every Pair Guaranteed.

WE CARRY STYLES TO FIT ANY FIGURE; POPULAR IN PRICE, \$1.00 TO \$3.00
