## PERRY SOCIAL CLUB FORMED

SEVERAL IMPORTANT FUNCTIONS TO BE GIVEN.

Perry News and Personal Mention of Interest.

Perry, Or., Oct. 24.—(Special)—The Perry Social club was re-organized recently with the following officers: Geo. Andrews, president; Harry Hansen, manager, and Geo. W. Perry secretary and treasurer. It is the aim of this social club to give a number of enjoyable socials during the coming season, which will no doubt be appreciated by the people of Perry as well as friends from La Grande. The dances in Perry heretofore have been public, but from now on all socials will be invitational, which will eliminate all characters which are undesirable.

Jacob H. Trayner, who has been employed as time keeper for the Grande Ronde Lumber company, for the past seven years, resigned his position recently and is now living in La Grande. Mrs. Trayner has been a promoter of many social features here in Perry, also he is superintendent of the Perry Union Sunday school. By diligence and untiring efforts, he has fostered this school from its infancy until it now stands a flourishing organization. Sunday, October 19, Jno. Crimes, of the American Sunday School union, was a visitor at Sunday school here in Perry.

Wednesday evening Rev. Drahn, of the Lutheran church, held services here and a large number of the peo-

ple were present to hear his masterly discourse.

A birthday party was given at the home of Mr. Chas. Hansen last night in honor of their daughter "Agnus." A number of young people were present and enjoyed the evening immensely.

Avoid Sedative Cough Medicine.

If you want to contribute directly to the occurrence of capillary bronchitis and pneumonia use cough medicines that contain codeine, morphine, heroin and other sedatives when you have a cough or cold. An expectorant like Chamberlain's Cough Remedy is what is needed. That cleans out the culture beds or breeding places for the germs of pneumonia and other germ diseases. That is why pneumonia never results from a cold when Chamberlain's Cough Remedy is used. It has a world wide reputation for its cures. It contains no morphine or other sedative. For sale by all dealers.

You Marvel How Worst Skin Eruption: Disappear as Result of Famous Remedy

If you should meet anyone varnishing a bare with a greasy ointment, your best advice would be to quit such things and attend to the blood.

To successfully fight any blood trouble, some eruptive skin disease—call it eczema, lupus, psoriasis, malaria or scrofula—get your blood under the influence of S. S. S. It is one of those rare medical forces which act in the blood with the same degree of certainty that is found in all natural tendencies. The manner in which it dominates and controls the mysterious transference of rich, red, pure arterial blood, for the diseased venous blood is marvelous.

Out through every skin pore acids, germs and other blood impurities are forced in the form of invisible vapor; the bowels, kidneys, bladder and all excretories of the body are marshalled into a fighting force to expel every vestige of eruptive disease.

There is scarcely a community anywhere but what has its living example of the wonderful curative effects of S. S. S. Get a bottle of this famous remedy to-day and if your case is stubborn or peculiar, write to the Swift Specific Co., 216 Swift Bldg., Atlanta, Ga.

Do not permit anyone to talk you into some useless compound they put up as a substitute for S. S. S. No honest druggist will do this.
