#### MOTHERS.

How one mother got 8 children in the picture show free and without cost. Last week she put \$2.00 in a sack of flour. No show for the kids that week. This time she only put \$1.20 in a sack; the 8 children took the 40c, went to the show and these same dear children have 40c left for more shows. Total of everything, \$2.00. My dear parents this is no small item. We are always looking out for the kids and if you insist on still paying \$2.00 for a sack of flour, and get La Grande Milling company's \$1.20. Your grocer will give you back 16 free passes to the show for 16 children or one child 16 times. La Grande Milling company is printed on each sack. Each grocer guarantees this flour.
