## FARMERS SEE MODERN PLOW

MACHINE REMOVES NECESSITY OF A HARROW.

Personal and Social News From and About Union Town.

Union, Ore., Oct. 31.—Quite a number of farmers and others witnessed a plowing demonstration at the experiment farm given by C. S. Fuller, a representative of the Rock Island Plow company, with the C. T. X. Universal plow, for which Smith & Cadwell are the agents in Union. The plow was pulled by four horses, cutting a furrow eight inches deep, pulverizing the soil and reducing the necessity of a harrow to a minimum. The land was turned completely over and all trash buried and the furrow, left in a clean and satisfactory condition. The demonstration was interesting and flattering comments were heard on every side.

Mrs. Thomas Cock and Mrs. Erland were hostesses at the regular meeting of the Missionary society of the Presbyterian church. The meeting was held at the home of Mrs. Cock and Mrs. C. E. Davis presided as president. Nineteen of the members were present, even if they did have to come in a drenching rain. A good program was given and listened to with deep interest. Dainty refreshments were served and the members voted their thanks to Mrs. Cock and Mrs. Erland for delightful afternoon.

Harlan Stewart had the misfortune the fall from a horse recently and broke his collar bone and hurt his arm. He will carry his arm in a sling for some time as the result of it.

Mrs. Kent ran a large sliver in her finger and as blood poisoning was threatening she had to have medical attention. The Epworth league gave a social at the M. E. church Wednesday evening. A large crowd was present and a good time reported.

Four or five of the city nimbreds have gone out after deer and expect to kill their limit in game. They will be gone about a week. We are all getting very hungry for venison and will be glad to see them back.

### HODGIN DISCUSSES BILLS

(Continued from Page Two.)

ficer will unquestionably aid him in the performance of his duties. The county attorney plan is the one prevailing in Washington and in California as well as many other states, and with entire satisfaction. Whenever there is need for his advice by other officials of the county, he can be found at home ready and prepared to give it, and there is no delay in having to wait till he returns from some other county where he may be attending court. This is one of the few good bills passed by the legislature. In the counties of Union and Willowa, the county attorneys as provided in the bill will draw \$600.00 less than is now paid by the state for such services.

The bill further provides that none of the elective officials shall have their salaries reduced or legislated out of office, during their terms.
