SUGAR PRICES SOAR AGAIN

SATURDAY BRINGS PRICES 10 CENTS HIGHER.

Cocoanuts Are In Market for Winter Trade—Other Market News.

Saturday morning saw sugar prices advanced 10 cents per sack. The rise in prices came as a reaction after the recent steady drops. No alarm is felt that the prices will again reach their former quotations. Locally it is presumed, that the price will fluctuate until the new tariff law actually becomes effective.

PROGRESSIVES IN TEST

(Continued from Page One.)

Lodge; Lieutenant Gov. David I. Walsh, Democrat, who claims to have a united party behind him; Charles Sumner Bird, Progressive, who has spoken in every city and town in the state; and Gov. Eugene N. Foss, Independent, erstwhile reciprocity Republican, three times Democratic governor, who is up before the voters once more on a railroad reform platform.

Progressives have a popularly chosen candidate who claims to have practiced party principles in his big industrial plant; who has made one of the most thorough campaigns ever attempted in the state, and who has been aided in his campaign by Progressive Big Guns from other state who included Albert J. Beveridge and Gov. Hiram Johnson, of California. Gardner kicked over the traces when the Republican convention didn't approve four of his planks, and this seems to prove claims of other parties that there has been some disaffection in Republican ranks which will be noticed tomorrow. The Democrats have stood pat on past performances, exhibited nothing but peaceful harmony to the outsider and have avoided controversy. Their campaign has been rather quiet. The unknown quantity admittedly is Gov. Foss. He declared his candidacy at the last minute, making the New Haven railroad, its maize of trolleys, and similar public service corporations the center of his fight. He was left without a party when the Democrats refused to endorse his last administration, but he has had a popular issue. His three successive victories have been almost solely to this "single issue" campaign plan of his. First it was reciprocity; then it was high cost of living; next it was Wilson, and now it's the New Haven railroad question—perhaps the biggest local topic today.

Best Cough Medicine for Children.

"Three years ago when I was living in Pittsburg one of my children had a hard cold and coughed dreadfully. Upon the advice of a druggist I purchased a bottle of hCamberlain's Cough Remedy and it benefited him at once.

I find it the best cough medicine for children because it is pleasant to take. They do not object to taking it," writes Mrs. Lafayette Tuck, Homer City, Pa. This remedy contains no opium or other narcotic, and may be given to a child as confidently as to an adult. Sold by all dealers.
