

POULTRY HAS TREND UPWARD

COUNTRY HOGS WEAKER IN BIG MARKETS.

Eggs Show Much Strength—New Market for Fruits Found.

Portland, Or., Nov. 6.—(Special)—The market for poultry is showing considerable strength along Front street and prices are generally higher. Sales of hens are being made generally at 15c a pound for good sizes, although some are quoting a fraction below this. In a few instances as high as 15 1/4c has been obtained for some extra select offerings, but this price is by no means general at the moment.

Country Hogs Are Weaker.

There is a weaker feeling generally in the trade for country killed hogs in the Front street market and prices are fractionally lower. Strong efforts are being made by butchers to force

the price down to 10c a pound for best offerings.

Veals Are Not so Firm.

While prices are showing but little change, there is a weaker feeling in the dressed calf trade along Front street generally today. Some stocks were carried over from yesterday. While in a limited way as high as 14 1/4c has been obtained the general market stands no higher than 14c.

Eggs Showing Stronger.

Market for fresh eggs is firmer and some of those who have been quoting several cents a dozen under extreme figures, are revising their quotations and are now 1c to 2c under the top. There is no difficulty in obtaining top quotations.

Grape Market Is Firmer.

The season for all varieties of grapes is fast ending. Receipts from local points and from the south are very small and prices are firmer. Tokays are quoted generally at \$1.40 a crate of four baskets.

New Market for Fruits.

Announcement has been made by the A. Rupert company of this city of the sale of the first carload of Oregon canned peaches and pears to France. The shipment will start from this city

within a few days. The sale was in the nature of an experiment but the sellers believe that a big trade will be worked up within a few years.
